Kempner ESD no longer an option at this time

County Commissioners had a meeting last night at Taylor Creek Elementary School to discuss the proposed Emergency Services District in the Kempner area of Lampasas County. Lampasas Radio attended the meeting.
Three Commissioners were on hand; Robert Carroll, Jamie Smart and Mark Rainwater as well as County Judge Randy Hoyer.
The purpose of the ESD was to address funding issues and the goals that were in sight for the Kempner VFD. They wanted to have paid staff, better equipment, and a fire station on the north side of the district. The ESD was proposed a few months ago to address these needs.
A petition was presented to the County Commissioners on May 11th to begin the process. Dan Hause, of the Kempner VFD, at the meeting explained that in order to form an ESD (Emergency Service District), you have to have consent from the municipalities that are in the ESD. The consent motion was presented to the Kempner City Council in May, and was approved. The Consent motion was presented to the Copperas Cove City Council for the Copperas Cove city limits and the ETJ jurisdiction in Lampasas County for 1st time on June 17th, and for the second time in July 2nd. The Copperas Cove City Council voted to turn down the consent petition at that July 2nd meeting. It was presumed that the City of Copperas Cove will be annexing part of this area in the future.
Due to the fact that the Copperas Cove City Council refused the consent motion, the petition is no longer applicable. The petition is on the agenda for the Commissioners meeting on July 22nd and it is speculated that the petition will be pulled. It appears at this point that it is a matter of formalities.
A few residents from the area did attend the meeting and expressed quite a bit of concern over the tax increase created with an ESD. As one resident, George Gongarchin stated, "this appears to be the tip of the iceberg, that there would never be enough money, equipment or staff. "

According to the Kempner VFD, they average 365 runs a year , and this past years budget was $68,000 and the VFD raises $30,000 to $40,000 in their fundraisers.

The Lampasas Fire Department is also offering tours of the Fire Department, an opportunity to visit with the firemen, and, just to sweeten the deal, when you're done, you can enjoy a free pork steak dinner!
