What's Goin' on?

Badger Football returns this week taking on the Liberty Hill Panthers. This should be an interesting matchup. So far this year, Liberty Hill has won all of their away games. They bring a 2-3 record while the Badgers bring a record of 5-1. Remember to tune into 1450 KCYL am for the play-by-play with Darryl and Kenny. You can also listen to the stream for the game at **lampasasradio.com** and go to listen live on the menu.

Remember Parents no school Monday……

In the Lampasas Radio Studio

"Doc" Forsythe was in the Lampasas Radio Studio this morning, talking about the upcoming "Queso Fest" at the Lampasas County Youth Barn, and all the things going on there next Saturday.
Doc also visited with Ken Gontarek, the morning DJ about the difference that 4-H and FFA can make in the lives of students.
Doc also spoke at length about how the Ag Mechanics program has mushroomed the past few years, and how inventive the kids have become.
We sure enjoyed visiting with Doc, and hearing many of his stories.

Update on "Slow Down, Move Over"

It was brought to the attention of Lampasas Radio this week, that house bill 61, signed by the Governor in May extended the "Slow Down Move Over" law that was originally in place.
The law now includes not only emergency vehicles and tow trucks, but garbage and recycling trucks, road construction vehicles including those for striping, sweeping, spraying, guardrail repair, sign maintenance, and temporary traffic control device placement or removal. as well.
The text of the law is available at **https://legiscan.com/TX/bill/HB61/2019**.
KBTX TV states "The Move Over Slow Down law went into effect in 2003. Last year, DPS says they pulled over more than 41,000 drivers statewide for not following this law. So far in 2019, they have pulled over more than 21,000."
DPS says if you do not move over and slow down, you could face a fine of up to $200.

Sports

Badger Football

Badger Varsity Football will host the Liberty Hill Panthers today. (The quarterback club this morning shared that Liberty Hill has 2 really good kickers, and they are twins.) The Panthers arrive with a 2-3 record (0-1 in district) while the Badgers come to the field with a 5-1 record (1-0 in district). However, Liberty Hill has won all of their away games, and lost all of their home games. The Panthers seem to keep the ball on the ground with 224 rushing yards and only 5 yards receiving vs. Fredericksburg. It should be a good game, and if you don't want to brave the crowds, tune into 1450KCYLam for the pre-game show and all the live action play-by-play with Darryl and Kenny.

Badger JV Football won a hard fought victory over the Panthers last night, 14-7. Coach Doege shares the following:

On the offense, there was a 2 yard TD run by Aden Rascoe, and a 16 yard TD pass from Peyton Underwood to Conally White. A 2 point conversion from Underwood to Ian McKinney put the Badgers at 14. Anthony Pena had a fumble recovery and 2 tackles for loss, and Sosa Sokimi had many big plays for the defense and 3 tackles for loss. Ian McKinney had numberous big plays on defense and special teams, and Connor Keele had 2 tackles and a forced fumble at the end that helped seal the Badgers victory.
