Included on the agenda are the following items: Recognition of Students, Faculty and Staff, Consideration of TASB Policy update 114, Consideration of Board Member resignation, Consideration of appointing a new board member, the Trustee Election of May 2nd 2020 and routine matters.

Flood Control Structure Seminar

Lampasas Radio received the following information:

"The Lampasas River Watershed Partnership is collaborating with the Lampasas County Water Control & Improvement District #1 (WCID) to host a seminar on the Sulphur Creek Flood Structure System on January 28 from 6:00 p.m. to 8:00 p.m. in Lampasas. This seminar will offer local citizens a chance to learn about the 9 flood control structures upstream of the city of Lampasas and the services they provide.

The seminar is offered at no charge and will include light refreshments. The workshop will be held at the Old Lampasas Middle School Cafeteria, which is located on Western Avenue, between North Avenue and Avenue B. The address to the campus is 207 E. Ave. A, Lampasas.

The WCID is the local sponsor for operations and maintenance of nine flood control dams on the Sulphur Creek watershed, along with their local co-sponsor, the Hill Country Soil and Water Conservation District. In April 1957, these local sponsors executed a work plan with the USDA Soil Conservation Service (now Natural Resource Conservation Service) to build the dams upstream of the city of Lampasas. The following month, the last of eight historic floods occurred in Lampasas, resulting in several deaths. The subsequent construction of these dams rendered the May 1957 flood the last in Lampasas to date.

Sixty-three years later, the nine dams remain an important safeguard against future disaster. As flooding becomes a top priority in central Texas and across the state, it's important that citizens are aware of the services that these dams provide. As these dams age, they will require additional maintenance to continue to provide those same services.

This seminar aims to raise awareness among our citizens about

Badger Sports

Badger Basketball

The Lady Badgers are back in the winning column after their 62-21 win over Taylor.

The girls will be in action Tuesday night at Burnet with the JV starting at 5pm, the Varsity at 6:15pm and the 9th grade plays at 7:45pm.

The Varsity game will be broadcast on KCYL 1450 AM and streamed at LampasasRadio.com at the Listen Live icon. Darrell Brooks and Chuck Lowery will bring you all the action on court.

Badger Boys Basketball (12-11/0-1) lost 40-52 to a strong Taylor team in Badger Gym on Friday. The Taylor team, loaded with experienced seniors, showed up strong in 3 point shooting

with more than one Taylor Duck putting in nothing but net from the field. The Lampasas boys were nonetheless working hard under the net and the score was close most of the game. The Badgers pulled out front at one point in the game, but in the last few minutes the confident Ducks began to go well ahead.

Individually, fans couldn't help but notice #22 Jett Bramon's strong play both under the net and from the field. Jett had 3 three point field goals, 3 steals and 6 rebounds, and his 9 game points was only bested by the leading scorer, Mike Murray, with 10. Brenton Webb was also on the high scoring list with 6 points. Nate Borchardt was strong under the net, coming up with 8 rebounds.

Badger teams will go up against Burnet on the road on Tuesday with a 7:30pm game time. That game will be broadcast live by Chuck and Darrell over KCYL 1450AM and streamed at LampasasRadio.com at the Listen Live icon. The JV is set to play at 5pm, the 9th at 6:15pm.

Badger Soccer

The Lady Badgers, coming off the tournament action in Stephenville where they beat Waco University's JV 2-1, then met La Vega and lost that one 0-3, ran up against Stephenville and lost again 0-7.

The Varsity girls will play Tuesday at Waco Robinson at 5pm. On Thursday, the JV team will be in the Salado JV tournament with a chance to go on playing thru Saturday.

The Badgers, in the Canyon Lake tournament action, lost 1-2 to Pleasanton, then tied Beeville in a scoreless game. This is a warm-up to district play that starts in two weeks. There are games this week at Waco Robinson on Tuesday at 7pm and at Wimberley at 6pm on Friday.

The JV team will be in the Salado JV Soccer tournament starting on Wednesday.

Powerlifting

The Badger Powerlifting team won the Lampasas Meet last week with 43 points. Brownwood came in 2nd and Llano was 3rd.

Jack Jerome won the Light Weight award with a total lift of 1255 pounds. Cameron Everts also had a 1255.

Case Brister took the Heavy Weight award with a total lift of 1275. The team will be in Burnet on Thursday, Jan. 23rd for their second meet of the season.

Just one more thing... about Badger Football

The Badger Football Banquet will take place on Jan. 27th at 6pm at the LHS Cafetorium. We will eventually give our football season a rest as the favorite topic of conversation, but not until we relive the glory one more time with the final awards.
