The Weather

Yesterday's high 57° This morning's low 38°

Today: A slight chance of a shower today, along with clouds and a high temperature of about 57°. The light northerly wind will turn back to southerly this afternoon..

Tonight: Mostly cloudy, with low of about 39° and 5 mph east wind becoming west after midnight.

Sunday: Mostly sunny and up to about 63° with W-NW wind 5-10 mph. Overnight the wind will come back around to the south at 5-10 mph and the low will be about 43°.

Monday will be sunny and up to 65° or so, but the SW wind will be 10-15 mph and become N-NW in the afternoon. The overnight will turn very cold, down to about 30° with a bitter cold north wind at 15-20 mph and gusting to 30.

Tuesday should be sunny again, but held at about 45° at the most. It will drop down to 30° overnight again, but by Wednesday morning the cold front will give up and the wind will start coming out of the south. That should make for a seasonable late week.

What a Win!

For the first time since 1999, the Lampasas Lady Badgers beat Liberty Hill's Lady Panthers – in their house!

The score was convincing too, 55-46, not bad for a game against the up-to-then undefeated in district team.

It was also bigger than ever when you consider the adversity the Lady Badgers had been facing the last few days. Several of the girls were questionable for the game, out of school the day before with illness. Right up to game time, Coach Mark Myers didn't know who would be able to play or how long or how well.

The game started out about the way we expected, with Liberty Hill going ahead early and into the locker room at the half ahead 27-18.

But something happened! The Lampasas girls came out of that locker room and attacked the game with a huge 3rd and 4th quarter to overcome and hand Liberty Hill their first district loss. It was a huge surprise and let down for Liberty Hill's fans, but it was a glorious lift for Badger fans. And for the team, **it was a good day!**

Congratulations, Lady Badgers!!!

Badger Band Performing Today in Burnet

Lampasas High Badger Band members, having qualified, are performing today at the Region Band Concert in Burnet. It's at Burnet High at, we think, 2:30pm.

Next Week

Meetings on Monday include Lampasas County Commissioners, in session at 9am in the

courthouse downstairs courtroom. On the agenda are some routine matters, then a request for a bid on asphalt and emulsion and the appointment of new commissioner Jamie Smart to serve on the Hill Country Community Action board. There is also the almost permanent short discussion of the progress on the jail project.

Lampasas City Council meets at 5:30pm for a closed session where they'll have deliberations on real estate, then back in a workshop they'll discuss the status of capital improvement projects that are funded by that big 2016 bond issue. One of those is the possible construction of a water/wastewater lab and office building that has been a subject of some disagreement in the past.

In regular session new business the Council will present the ordinance calling for election of Mayor and Council members for places 1, 2 and 6 on May 4th. Another issue in that same election will be a local option alcoholic beverage matter. They will also look at an expense of some \$12,800 to rid City Hall of a bat population. Another proposal is for stair improvements and a desk for the City Manager/City Secretary with the total expense to be \$3,800, and some possible fee changes for County residents to use the City disposal of recyclable materials.

And, the final big ticket item will be the possible award of a contract to build a new Water/Wastewater office and lab.

Coming Up Soon

The Copperas Cove Animal Shelter will host a Pet Vaccination Clinic on Wednesday, February 6th from 5 to 7pm at the Copperas Cove Civic Center at 1206 West Avenue B.

The clinic provides a venue for discounted yearly vaccinations for dogs and cats, such as Rabies, DHLP, Parvo, Corona, Bordetella and more.

Animal Control will also offer City licenses and micro-chipping (cash or check only). The event is open to the general public and you DO NOT have to be a Copperas Cove resident

to attend.

Storm Spotter Training Set for Thursday Feb. 7th

The National Weather Service will be in Gatesville at the Fire Dept. there for a free severe weather training session. 2018 brought a variety of severe weather, including hail up to 3 inches in diameter in the spring and summer months and flash flooding in the fall months. The 2019 severe weather season is not far away, and the National Weather Service and local emergency management officials want you to be ready.

You are invited to the most recent SKYWARN storm spotter class on Thursday, Feb. 7th, from 6-8pm. The class is not only for organized storm spotters, but for anyone with an interest in severe weather and how to be prepared. It will feature an in-depth review and study of the various threats posed by severe thunderstorms, their characteristics and features.

Badger Sports

Basketball

Lady Badgers Varsity(26-5/5-2) won over Liberty Hill Friday night in Liberty Hill's gym. It was a huge night for the Lady Badgers with the big win, over the big school that had dominated the district for years, coming in a last half come-back. The first quarter ended with the Lady Panthers ahead 13-6 and the half ended with the Panther going to their locker room with a typical lead of 27-18.

In the second half the Badger girls came back with a careful but determined push and outscored the Panthers 20-8 in that quarter. That put the Badgers ahead 38-35. The Lampasas girls kept coming and outscored again, 17-11 in the quarter, to finish it with a big 55-46 victory. The win was huge!

Lampasas now plays Taylor on Tuesday in front of an appreciative home crowd. If they are victorious, as expected, on Tuesday...this will set up a huge game next Friday in the road game against Burnet.

All road games will be broadcast over KCYL Radio and on our internet stream.

The JV Girls lost to Liberty Hill 34-48 and the 9th grade team lost 32-45.

District standings are: Liberty Hill 6-1, Burnet is 5-2, Lampasas is 5-2, Salado is 3-4, Taylor is 2-5 and Eastside Memorial is 0-7.

The Varsity Boys Basketball team(14-13/1-4)

The Badger Varsity lost to Liberty Hill 69-41 last night.

The undefeated Panthers showed their home crowd, as well as a large Lampasas crowd, just how good they are. They came out quick,

Senior Kolbe Penick led in scoring with 17, followed by Nate Borchardt and Asiel Gary who both had 9 each.

The Badger 9th graders lost to Liberty Hill 72-41 and the JV lost 68-56.

District Varsity Standings are:

Liberty Hill 5-0, Salado is now in 2nd place at 4-1, followed by Taylor at 3-2, and Burnet at 2-3, then Lampasas with 1-4 and Eastside has fallen to 0-5.

Badger Soccer

The Girls Varsity soccer team fell 0-1 last night to Gateway Prep on Badger Field. They play in the district opener at Florence on Tuesday.

The Badger Boys Varsity team lost 0-2 to Wimberley on Badger Field Friday. It was a close one, tied 0-0 at the half but a couple of runs put Wimberley ahead. The team will open district play at Florence at 7:30pm on Tuesday.
