Lady Badgers Fortunes Change

They beat Brownwood 51-36 in play-in game at San Saba.

Our girls hit the floor determined, pressing throughout most of the game. They outscored early and late and controlled the night. Forget the sometimes disappointing endings Coach Myer's girls have suffered through in this year's district play, the last couple of games have been theirs.

The Lady Badgers played well. The high point scorer for the team was Taylor Allen with 12, followed by Morgan Lovejoy with 11, but it was a complete team effort that led to the win.

The Lady Badgers will be back on the floor on Thursday evening, this time at May, and this time in the bi-district round of the playoffs. Their opponent will be Graham, the winner of district 5. Even though Lampasas was only 4th place in district, now matched up against a 1st place team for the bi-district game, their chances look pretty good.

The people who rank teams have Lampasas ranked a good bit higher than Graham. So-o, there are high hopes that Thursday's game will not be the Lady Badgers last round in the UIL playoffs.

Thursday's game is at 7pm in May, a town about 76 miles from here. Leaving town on Hwy 183, the turn to May is after Early, but this side of Brownwood. If you can, go to the game. If not, tune in to 1450AM or go to lampasasradio.com on you cell phone or home computer and you'll find a broadcast of the game.

Coronavirus Update

Dr. Georgia Hay shared with Lampasas Radio yesterday morning that after getting through the backlog of cases, Lampasas was at 146 active, 1910 total and 24 fatalities. She was not sure about hospitalizations.

The State of Texas saw 6,9613 new confirmed cases yesterday, and 1,216 probable cases. 9,401 Texans are hospitalized with Covid-19

Vaccinations...

The DSHS website shows that as of yesterday at 1:51pm, Lampasas County has had 1073 people vaccinated with one dose, and 223 residents have been vaccinated with the second dose.

Also, according to the DSHS website, as of 3:36pm yesterday, Texas has had 5,225,050 doses allocated, this is an increase of 756,450 since Thursday. Texas has been sent 4,075,625 total doses of the vaccine. This indicates 355,975 doses were sent to Texas since Thursday. Of the vaccines received, 3,277,891 doses have been administered. That is a total of 62.7% of the available vaccine.

to stabilize and offered a glimmer of hope that we may soon be able to operate at 75% occupancy. Chief Smith also noted that both Rollings Brook Hospital and Family Medicine Clinic are both authorized to administer vaccines. He did caution though, that although approved, FMC does not currently have admissible vaccines and the timeline to receive them is unknown. Badger Sports

Basketball

Badger Boys Varsity Basketball is in Gatesville for an important matchup with the Yellowjackets. The Badgers won their last matchup and Gatesville has not won a district game so far this season. That could make them a determined spoiler, but it will be an uphill challenge for them against the Badgers.

The Badgers are 3-3 in district and 17-4 overall. Gatesville is 0-7 in district and 5-19 overall. What makes tonight's game so important is Lampasas tie with Brownwood for a 2nd place seed in the upcoming playoffs, which both teams will enter into in another week or so.

If you can make it to Gatesville to support the team, by all means – go. If you can't, tune in to 1450AM for a broadcast of the game. It will also be on the lampasasradio stream at the listen live button.

Go Badgers!

Girls Basketball heads to playoffs

Coach Mark Myers Varsity Girls are going to be out on the floor Thursday evening at 7pm at May High School.

It's the bi-district round and Lampasas, the 4th place team in district 6, has to play Graham, the 1st place team in district 5.

The Lady Badgers are now 20-8 for the season, but only 3-6 in district and ranked #33 in Region 1 by Maxpreps. It was a curious season, with the team just not finding their way when they went into the new district alignment. That has changed, witness the results of the last couple of games, and the girls have earned their chance in the playoffs.

Graham is only 16-10 overall, but they're 9-1 in district. They are ranked number 47 in Region 1 by Maxpreps. It's hard to know what that means. They lost to Glen Rose early in their season and lost to Stephenville and to Brownwood too.

One would hope that the teams in their district are just not as tough as those in our district, but that's just hard to know. We'll find out Thursday evening when the teams hit the floor at May.

Baseball

Tonight's scrimmage will be at Killeen Ellison in Killeen. We will play at Ellison. The fields are located on Weiss Dr, right off of Trimmier. Game times are: JV starting @5:00. 1.5 hour game time. Varsity start right after JV around 6:30.
