## City Manager's Notes

Lampasas City Manger Finley de Graffenreid visited the Lampasas Radio studios this morning. He and Ronnie Witcher reviewed some of the items the City Council discussed at the last City Council meeting.

The Tree Ordinance, he said, will probably be on the books in 30-60 days.

He shared that he is consulting with the Lampasas Fire Dept. and TCEQ on guidelines for burning inside the city limits. He also shared that the brush chipping program will be starting for brush pick-up in the city.

The city is trying to make their way to creating hiking trails at the Cooper Springs Nature park, so look for that to happen as well.

## Soccer

### **Badger Varsity Soccer**

Coach Race is happy to report that the Badgers were victorious 2-0 over Burnet last night. . "We came to play. Out of the gate we were moving the ball well and creating chances. In the first half we put two away! Eyan Skiles hit a great one time shot from KJ Stephens and then Cruz Lucio made a great run back side and Victor Castruita found him to put us up 2-0 at half. In the second half we played well almost finding the back of the net numerous times and even had a goal called back from Robert LaMountain. In the end though it was a great team win with a shut out by our defense of Scooter Cook, Kai Cartwright, Nate Abken, Ivan Woods, Matt Cisneroz, Azarael Sanchez, and KJ Stephens. I am very proud of these young men, and we are on to Salado Friday night there. Currently we are in a 4 way tie for 1st place. As always thank you for your continued support and Go Badgers!"

**Lady Badger Soccer** traveled to Burnet last night and Coach Wiemers shared this: "Sadly I cannot report on a win from last night, but I can say that our ladies played their hearts out and we gave then everything we had. We were able to create many chances from both strikers Keona Cartwright and Toni Poole throughout the game, but were unsuccessful in being able to get one past the keep. In the middle of the first half, Burnet was able to find our net by hitting the crossbar and having the ball dip in. Going into the second half, we changed our tactics with a great success. Sara Engelke was able to capitalize on a bad goal kick and drive it down early to place a great shot into the corner

to tie it up. We had a lot of momentum for the rest of the second half and created many more opportunities, but weren't ever quite able to put the game away. We ended up having to decide this in overtime and sadly this is where we let our exhaustion momentarily take hold. Burnet was able to drive up our sideline and have a go and created a goal. We had the last 10 minutes of overtime to keep pressing, an again walked away with many chances created, but not quite the finish. These ladies have given everything they have and keep pushing their limits and sadly last night just didn't find us with the win. But their spirits are high and we are looking forward to our match in Salado this upcoming Friday.

**Lady Badger JV Soccer coach Ms. Lindsey shared the following:** "Our JV girls finally got the chance to play again yesterday after a three game hiatus. The girls came out strong and with a lot of fire and passion and completely controlled the first half. We had lots of opportunities at the goal, but just couldn't seem to get one in the back of the net. The second half we came out cold and played very stiff and let Burnet score. We got our heads back in the game and got a goal from Raelynne Sutton which tied the game. However, with about two minutes left in the game we let their striker get past our defense and they scored and won the game 2-1."
