produced 4-6" of accumulation from Lampasas to Waco, and 1-3" were common in North Texas. On Christmas Eve 1926, 1-2" fell from Lampasas to Hillsboro to our north. On December 17, 1929, Lampasas saw several inches of snow, but Hillsboro saw 26" of snow, the most in Texas History. In 1940, on January 22, 4" of snow fell in Lampasas and northward. Glen Rose is the undisputed district champion and as such will have the best position in the bi-district playoffs, going up against the 4th place team from the bi-district, which would be the loser of the Iowa Park/Graham game.

Lady Badger Softball changes have showed up with Coach Jessica Harborth announcing that their scrimmage set for today, and their home opener game set for the 15th, have both been cancelled. The team will be back in action on Feb. 18th when they join a JV tournament in Cove and a Varsity tournament in Killeen.

Badger Baseball, like many other activities, has cancellations. The scrimmage set for Saturday, Feb 13th, has been canceled.

Badger Soccer games for today have been cancelled, as well as Monday's play.

Funeral Notice

Randall Grant Johnson of Aggeland, Bryan-College Station, passed away unexpectedly on Sunday, February 7th, 2021 at the age of 44.

Randall was born on August 4, 1976, in Lampasas, Texas, to his family of mother Sharron Bullock and three sisters, Sheila, Lora, and Shari. Randall spent his childhood fishing in Sulfphur Creek, swimming at Hancock Park and camping at the Bend. His love for the outdoors defined his hobbies for years to come.

Randall was always a big kid at heart and often one might think he never wanted to grow up. However, one could see the transformation of a boy becoming a man after his children were born. Whether they were in the same room or miles apart, his face would always light up when he talked about how proud he was of his kids. When Randall moved back to College Station in 2015, he set out to accomplish several goals. After months of studying, he received his GED at the age of 38 and was able to move on to a vocational college. Randall was proud to receive his HVAC certificate a year later. The day he walked across the stage to get his diploma was one of the greatest days of his life.

Randall is survived by his 3 sisters; Sheila Hickman (Glen Burnie, MD), Lora Johnson (Bryan TX), and Shari Barnhart (Copperas Cove, TX). Girlfriend, Stephanie Huckabee (Copperas Cove, TX), and her son, Austin Huckabee. He also is survived by Catherine Wright Johnson (Killeen, TX), with whom he shared four beautiful children; Victoria Struckmann (Waco, TX), Destiny Johnson (Waco, TX), Randi Johnson (Waco, TX), and Johnathan Johnson (Bryan TX). He had one grandchild, Aaliyah Hopkins (Waco, TX) He had 3 nieces Kaycie McKay (Weatherford), Kassidee Reid (Lampasas) and Krista Reid (Lampasas). as well as 8 great nieces and nephews. He is also survived by his three furry friends, Summit, Smokie and Bandit.

Usually, about once a week, Randall always started his "I love you" calls to his family. He made the rounds to make sure he told everyone he loved and appreciated you and why. Randall's love will be sorely missed by many friends and family members.

Celebration of Life; Saturday, February 13th 2:30pm to 3:30pm.
Family of Faith Church 626 South 4th Street

Badger Sports

Lady Badger Basketball !

The Lady Badgers 1st round playoff game, set for last night but called off because of the weather, was reset for noon Saturday. That's the way it stands right now, but stay tuned as situations can change fast. The UIL rules say that the game must be played by Saturday.

The team is ready to go and feeling good, just needing an opportunity to play and continue their late season resurgence into 4A competition.

If plans don't change, the team will likely leave the parking lot around 9am Saturday morning – at least that was the plan when we last made contact with coach. The trip, of course, to May H.S. It's 87 miles up Hwy 183, with a little jag at Early to the school, and with slow driving in questionable weather, it could take well over 2 hours to make the trip.

If you can't make it to the game, it is to be broadcast over KCYL 1450AM radio, and streamed at lampasasradio.com at the listen live button.

Badger Basketball Game Change!

Due to the questionable weather, the Badger game set to be played tonight in Lampasas has been changed.

The freshmen and JV games will not be played at all, the Varsity game has been moved to 1pm Saturday.

Coach Nuckles notified us that the cautionary move had to be made, even though it was a conflict with the Lady Badgers game being played at roughly the same time.

So, Badger fans will have their last chance Saturday to see this Badger team at home, at least in a district game. And, this game is Parents Day, so reason for many to attend. By the way, it's notable that the parents of one Badger player, Nate Borchardt, are proud. Nate, still a junior at LHS, picked up his 1,000th high school career point in the last game.

The Badgers are playing Brownwood in this last district game of the season. It is the game to decide which team will be the Runner-up in district and therefore the second seed in post season play.

If Lampasas wins, they'll play either Iowa Park or Graham in the bi-district game. If Lampasas loses, they'll play Burkburnett in the bi-district game.
