Out in the county there were accidents, civil matters, medical calls, an abandoned vehicle report, animal issues, and a request for extra patrol. The Burn Ban is in Effect!

Too often a designated driver is chosen during the course of the evening and is often considered the "least drunk" person in the group. The designated driver should always be a sober driver who has not consumed any amount of alcohol. Designating a driver, calling a taxi, using a rideshare service, staying where you are, calling a friend or family member, and using mass transit are the safest ways to ensure you do not drive under the influence.

One regrettable decision to drink and drive could turn game time into a DWI, which can cost up to \$17,000 in fines and fees, the loss of a license, jail time or worse.

Road Work in Kempner TxDOT

shared this: "Beginning Monday, February 14, Texas Department of Transportation's (TxDOT) contractor Texas Materials will be constructing safety improvements at the intersection of US 190 and FM 2313 in Kempner.

Improvements will include constructing a right turn lane from US 190 for motorists turning onto FM 2313 and installation of illumination at this location. Work will be mostly behind the curb; however, motorists are asked to watch for crews, avoid distractions and to pay attention to road signs within the work zone.

It is anticipated that this project will be completed in approximately 3 months, weather permitting."

The boys went to the Comanche powerlifting meet last Thursday and the lifters competed very well. The Lampasas boys' team was first place over all with 44 points. Weston Reid was the lightweight lifter of the meet with a total of 1590 pounds. Weston also broke the school records in the 181-pound class with a 640-pound squat, and a 1590-pound total. Weston also tied the school bench press record with a 350-pound lift. Dominique Wooten and Weston Reid also broke several Comanche meet records last night. Our next meet will be in San Saba on February the 17th. Individual standings are as follows.

Thursday evening, the girls powerlifting team travelled to Comanche to compete in their invitational meet. The Lady Badgers performed well. I am very proud of these young ladies for the way they competed. We had some that increased totals from the previous meet and achieve personal bests. The Badgers ended up taking 2nd place with 45 points.
