The Weather

Yesterday's high 59° (10am) This morning's low 27°

Today: Some relief from the strong winds and lots of sunshine with an afternoon high near 55°. The wind, still out of the north, should hang at 5-10 mph.

Tonight: The sky will be clear and the low near 59° with the wind completely calm.

Saturday: There shouldn't be much change except a few degrees warmer with a 64° high. The calm wind will kick up to perhaps 5 mph in the afternoon but it will have shifted to a SE breeze. Overnight it will be south breeze at 5 mph and a low of 39-40°.

Rest of the weekend: Sunday should be nice with a high near 69° and a southerly breeze that could gust a little in the afternoon. Monday, Washington's Birthday, will be sunny and up to 81°.

Monday night, good news perhaps, it seems we have a 30% chance of rain. That will be gone by Tuesday when sunshine and a nice morning will give way to another cold front. But, that could bring rain chances again through mid-week..

TGIF! – What's Going On?

It's all about politics right now with plenty for Lampasas voters to do. Early Voting is going on during office hours at the County Elections Office on Pecan Street on the east side of the square. There are hotly contested elections in the Republican Primary for Justice of the Peace Precinct 1, Justice of the Peace Precinct 4 and for County Clerk. There are three candidates for every contest. There are also races for House and Senate seats, and it is Gubernatorial Election Year with Gov. Abbott facing challenges.

And coming up, there are the City and School elections. There are City Council and School Board candidates signing up to run.

Let's talk about the weather. It's February of '22 and the drought picture doesn't look any better now than it did in January, or December, or November... and so-on. We've had just under a half inch of rain so far in February. The typical mark for this point should have been twice that much at least. In January we received only .6 in. of rain, about a third of a 30 yr. normal. But looking back at December, there was only .03 in. of rain. That was hardly a trace, when we should have gotten over 2 inches.

So what's up with all this? It's dear old La Nina! She's doing

what she's supposed to, according to the weather gurus with the National Weather Service - Cold and blizzards, rain and snow in the north parts of the U.S. and dry in the southern states. And that's exactly what we got!

It seems there's some hope for relief from La Nina's grip in May and June, but for now we are just gonna tough it out, pray for rain, and think about building rainfall capture systems for when it does come.

The chances of that...pretty good for next week!

Kempner Water Supply offers free line locates for anyone putting up a fence, burying electric lines, etc...

We are happy to provide this service as it saves the Corporation the time and effort of repairing a preventable water leak, and our members the inconvenience of loss of water service.

We can only locate the main water lines and the line between the main line and your meter. If you are digging between your meter and your house it would be beneficial to locate your water lines yourself, first.

The Blotter

Lampasas Police Dept. blotter for Thursday shows a disturbance on Acorn St. at 2:03am, harassment in the 900 block of S. Broad at 8:05am and a few minutes later a disturbance in the 600 block of S. Spring.

There was a missing person report taken on S. 183 at 10am and a theft in the 600 block of E. Ave. F at 11:35.

The afternoon saw suspicious activity and a suspicious vehicle report, a minor accident in the 500 block of E. 2nd and a prowler report on S. Chestnut about 8pm. There were no arrests. Lampasas Sheriff's blotter for Thursday shows Kempner mentioned in the call log with a disturbance across the line in Copperas Cove about midnight-30. There were civil matters in Kempner and out in the County, those went on until mid-afternoon. There was an identity theft case just before 5pm and another disturbance just before 6, then a Fire Dept. call that turned into a small foot-note shortly after that. The Jail Log Shows the county booking a few people on Failure to Appear charges, 28 yr old Las Vega man and a 22 yr old Troy, TX female. A 31 yr old Kempner female was charged with probation violation and a 28 yr old Austin female was being held on an out of county charge. Another case saw a 50 yr old Lometa male being held on another out of county charge.

The Burn Ban Please know that outdoor burning is banned except approve containers. See the County website for more information on containers.

Sports

Badger Basketball

With that crucial 86-80 Brownwood game behind them and a District Championship sewed up, the Badger Basketball team is headed to the playoffs.

Here's the deal as of now: There's still a game to play for our Bi-District opponent. As 1st place team in our District 6, the Badgers Bi-District opponent must be the 4th place team in District 5. Right now that seems to be Vernon, but Iowa Park is as-of-now the 3rd place team so in the last regular season game, those two must meet. That will determine whether Lampasas plays Iowa Park or Vernon for Bi-District.

Coach Aaron Nuckles says he has talked to both teams and they both say that they would like to meet Lampasas on the court at Abilene Wylie High School on Monday at 6pm. So, whoever wins the game between those to tonight in their last game, will play Lampasas on Monday at 6pm at Abilene Wylie. So-o, basketball fans, tie the Badger flags on your cars or whatever, and get ready for a long trip to Brownwood on Monday.

For those who don't want to make the trip, you can tune in to KCYL 1450AM, or our Badger Sports stream at lampasasradio.com, and get the live broadcast of the game with Kenny and Darrell. Go Badgers!!

Badger Soccer is playing in Salado at 7pm this evening, following

Happy Birthday

Laykia Vann, 1 year old

their win over Florence 2-1 this week. The same goes for the Badger Girls. They beat Florence 9-0 and play at Salado today.

Badger Tennis saw the JV team at Cove on Thursday. Coach Peiser said it looked great when they were getting out in the morning but it was a cold and windy day to try to play tennis. Emily Martinez came out 2nd and Sierra Vincent was 3rd in the match. In doubles Tyler Ecker/Jared Miller tied for 5th. Other results saw Chesley Breuer go 1-1 in his singles outing. The next JV match will be in Brownwood March 1st.

More Sports Starting Up

Badger Softball and Badger Baseball are getting ready. The girls that were on the basketball team are now free to join the softball team, and soon the boys basketball boys will be freed up to start baseball. The Lady Badgers softball schedule saw them in a Killeen Tournament on Thursday. They went 2-1 on the day beating Connally 20-3 and Florence 20-3 before losing to Killeen Ellison 5-12. Maldonado went 4-7 at the plate, Kali Hunter was 4-8. Harley Wakeman 2-4, Bre Quarles 3-7 and Kayli Syx 3-7. RBI leaders were Alycia Cantu with 6, while Autumn Beisel-Macomber and Bre Quarles had 4 each. Home Runs came from Maldonado, Cantu and Perry. Pitching leaders were Hannah Perry and Caitlyn Sanguinet who both recorded wins. The team is scheduled to be at Corsicana for a tournament on the 26th.

The Badger Baseball team will be doing more of the same in tournaments around the area. They've been in scrimmages and will be at Killeen today for their last one.

Their schedule kicks off next Tuesday with Comanche but district won't begin until March 22nd. Lometa Basketball is in the playoffs. The Hornets will play Mullin in the 1st round playoff game on Tuesday.
