This is a combination of mail-in and in-person ballots. The early voting location is the election Office at 407 S. Pecan St., Ste 102 in Lampasas. Click-it-or-Ticket

The agony is merciless. The pain cuts deep. Deeper and more vicious than anyone can imagine when you lose a child. Unfortunately, hundreds of parents have had to endure this nightmare after losing their teens in car crashes in which they weren't wearing their seat belts.

With vehicle crashes continuing to be the leading cause of death for U.S. teenagers, TxDOT's "Teen Click IT or Ticket" campaign is urging teens to buckle up in every seat for every ride.

A seat belt offers the best protection in a crash, but sadly, seat belt use remains low among teen drivers and passengers. In 2020, 46% (138 of 300) of teen drivers killed in vehicle crashes were not wearing a seat belt.

"We want to remind teens to take responsibility not only for themselves but also for those who are riding in their vehicle. Everyone must buckle up," said TxDOT Executive Director Marc Williams. "One simple click of a seat belt can save a life."

Throughout the month of February, the "Teen Click It or Ticket" campaign will be highly visible, seeking to reach Texas teens with its seat belt safety message. The outreach will include TV, digital advertising and social media. Additionally, an interactive element will be introduced as the campaign makes visits to 11 high school campuses across the state with its "Teen Click It or Ticket" vehicle. Teens will also be educated on Texas law which requires drivers and all passengers to wear a seat belt. Unbuckled drivers and passengers — even those in the back seat — can face fines and fees of up to \$200.
