## Explosive Device in Kempner

Just after 8am on Tuesday morning, a citizen made contact with Police Chief Eddie Rodriguez of Kempner in the 12000 block of US190. The citizen stated they had purchased a box of miscellaneous items at a garage sale and was concerned with one of the items. Chief Rodriguez determined the item was a potential explosive device.

For the safety of area businesses and their patrons, the nearby businesses were advised to evacuate and US 190 was closed. The device was examined by bomb technicians who determined it was in fact an explosive device. The device was rendered safe and taken into custody of the Alcohol, Tobacco and Firearms agency for investigation. Once the scene was no longer a threat the highway and businesses were permitted to re-open.

The Kempner Police Dept. has turned over the investigation to the ATF. No further information will be released due to the pending investigation.

The City of Kempner would like to thank the Lampasas County Sheriff's Office, Texas Rangers, Alcohol Tobacco and Firearms, Ft. Hood's Bomb Disposal Unit, McLennan County Bomb Disposal Unit and the Kempner Volunteer Fire Department for their assistance in this matter.
