## Boy Hurt in Gun Accident

On 2/22/23 at approximately 5:54pm, the Lampasas County Sheriff's Office received a 911 call from a residence located in the 100 block of CR 3831 in Lampasas County. The caller, a young juvenile female stated her brother had accidentally shot himself in his bedroom and they needed immediate assistance. Lampasas County Sheriff's Deputies and Texas Highway Patrol responded to the rural residence and upon entry observed a thirteen year old male, sibling to the caller, lying on the kitchen floor. A tourniquet was observed applied to the male victim, it is believed the victim and/or the caller applied the tourniquet to stop the bleeding. Adamsville Volunteer Fire Dept. and Hamilton county EMS Ambulance were dispatched to the residence. It was determined there were no parents or adults in the residence at the time the victim discharged the loaded semi-auto pistol located in his bedroom. Deputies secured the suspect pistol and found another loaded semi-auto pistol, two rifles that were loaded, and a shotgun that was loaded. Two other unsecured

rifles located in the parents' bedroom were not loaded. No weapons were secured in a locked safe or closet and were accessible to the six unsupervised juveniles at the residence. Mother to the children, Noemi marks, a 44 year old female arrived later at the residence and then rode with her son (victim) to McLane Children's Hospital in Temple, Texas. The father, Chris Marks, was also notified of the incident and he met with the juvenile victim and his wife at the Temple Hospital. All weapons were seized as evidence and for safety purposes. An older 23 year old sibling arrived at the residence and remained with his younger siblings while mother and father were at the hospital. Child Protective Services was notified of the incident. A Lampasas County Criminal Investigator is conducting the on-going investigation.
