## Gas Service in Cove

**Kevin Keller, Public Information Officer for Copperas Cove** called

Lampasas Radio this morning with an update on the gas outage in Cove. Atmos

Gas Company is starting to restore gas service today. Mr. Keller shared that he believes there are 100+ technicians in the city to assist.

The cause of the outage was an issue at one of Atmos's substations which required turning off gas service to the entire city to repair. They started with the schools, to assure the kids were able to go to school, then with businesses and residences.

Atmos energy wants to advise residents that "When natural gas service is restored, an Atmos Energy technician will need to enter each customer's home to re-establish service. A resident 18 years of age or older will need to be present. If the customer is not at home, a technician will leave a door tag with instructions on how to restore service"

If you have any questions you are advised to call Atmos at 888.286.6700

## State and Local Spring Break DWI prevention

During last year's Spring Break\* in Texas, there were 417 crashes involving young drivers who were driving under the influence of alcohol. Those crashes killed 26 people and seriously injured another 52.

"Drinking and driving is a dangerous and often deadly choice that can ruin the future of a young driver and all those involved in a crash," said TxDOT Executive Director James Bass. "This Spring Break, be responsible and plan ahead for a sober ride." The "Plan While You Can" campaign will tour the state featuring the "Plan to Win" virtual reality game. The game poses questions related to drinking and driving, and illustrates the consequences of getting behind the wheel through an immersive experience. Driving under the influence of alcohol not only risks death or serious injuries, but it can also be costly. Drivers can face up to \$17,000 in fines and fees, jail time and loss of their driver's license. Instead of getting behind the wheel, here are some alternative options; designate a driver, Contact a cab or ride-share service, spend the night
