Lampasas City Manger

Lampasas City Manger Finley de Graffenried was in the Lampasas Radio studios this morning for his weekly visit with Ronnie Witcher.

The first item brought up in the interview was the disparity in the rolling blackouts with regard to the areas of town that were hit the worst, which was the SE part of town. Mr. de Graffenried explained that the loads to hospitals were not interrupted, as instructed. He explained that Llano, which only has 1 substation, had not power blackouts. At this time, it is being looked into to have more individual feeds off the transformers, creating a more equal system if it is ever needed again. As far as billing, while the City of Lampasas released a statement toward the end of the cold spell stating they would not raise electric rates to customers, the city, as well as most retailers are dealing with spikes in other types of charges. Some were financially hit harder than others. There will be temporary spikes in other types of charges, but the charge per kilowatt hour stays the same. The City Manager reiterated that the market is going to change. Extra cost will have to be dealt with to make the electric grid more secure, have better preparedness, and be able to handle the colder temperatures. It was asked if it was worth it to spend the money to prepare for temperatures that only seem to happen every 70-80 years?

Mr. de Graffenried pointed out that Texas has unprecedented growth. According to the City Manager, LCRA explained that Texas needs to have enough power base generation to handle these temperatures, and it needs to be non-renewable. Renewable forms of power failed during the cold spell. Also, notable, LCRA's hydroelectric plants were up and generating at 80% over the course of the freezing days, and thermal plants were at 57%.

The City of Lampasas is hosting a Town Hall Meeting on Monday, March 22nd at the old middle school cafeteria, to receive citizen input.

Coronavirus Update

Dr. Georgia Hay shared with Lampasas Radio this morning that Lampasas was at 5 active cases, 2064 total cases, and one more fatality, a woman in her 80's. for a total of 29 fatalities. The State of Texas saw 3,744 new confirmed cases yesterday, and 1,063 probable cases. 4,702 Texans are hospitalized with Covid-19

SOS Vaccine Initiative Now Includes Lampasas County

Governor Greg Abbott yesterday announced that the Texas Division of Emergency (TDEM), the Texas Department of State Health Services (DSHS), and the Texas Military Department (TMD) have announced 34 counties participating in the second week of the Save Our Seniors COVID-19 vaccine initiative. The state has allocated over 10,000 vaccine doses for the second week of the program, which the state will use in partnership with local officials and service organizations to target Texans who are 75 years and older or homebound. TDEM and TMD will work alongside local jurisdictions to set up a central drive-through vaccine clinic in the community or administer directly to homebound seniors — these decisions will be driven by local officials as they identify vulnerable residents in their communities to participate in this program.

Counties participating in the second round of the program are Aransas, Bandera, Bowie, Brooks, Caldwell, Callahan, Coke, Coleman, Dallas, Duval, Henderson, Hockley, **Lampasas**, Leon, Liberty, Mason, Mitchell, Presidio, Rusk, Sabine, San Patricio, Stephens, Sutton, Titus, Trinity, Val Verde, Van Zandt, Walker, Waller, Webb, Wharton, Willacy, Wilson, Wood.

In coordination with local and state partners, counties and cities have been selected based on recent data provided from DSHS related to the following factors: the number of approved providers in the area, allocations over the past 12 weeks, and least vaccinated counties for 65+ and 75+ administered doses.

Badger Sports

Badger Baseball

The Varsity Baseball team beat Gatesville 1-0 in a game that will go down in our memories.

It was a pitcher's duel with 3 up – 3 down for much of the game. It was still 0-0 going into the bottom of the 6th when Lampasas came to bat. The Hornet pitcher was visibly tiring at that point, over 90 pitches, and Badger batters were just getting warmed up. A walk or two and a hit or two and it was 1-0. In the top of the 7th the Hornet batters were still stymied by Badger pitcher Ace Whitehead and the game ended.

The well-deserved win goes to Ace Whitehead who struck out 18 batters. Badger hits in that crucial 6th inning rout were by Logan Coleman and Gauge Gholson, but the winning score was actually on a steal by courtesy runner Carson Bekker. (*cont'd on back*)

The Blotter

Lampasas Police Dept. blotter for Tuesday afternoon shows a reported assault in the 2700 block of 281S at 8:30am, than a theft was reported in the 200 block of Riverview Dr. at 9:26am. Three arrests followed, with Carol Crim, 40, of Lampasas arrested for possession of a controlled substance/PG1/less than a gram; and a Lampasas PD warrant for possession of a controlled substance at 9:37am in the 800 block of N. Key. At 10:09am, Brian Powell, 39, of Lampasas was arrested in the 1300 block of CTE on a Lampasas PD warrant for possession of a controlled substance PG1. Jesse Rhymes, 43, of Lampasas, was arrested in the 500 block of N Howe St. at 11:41am on two Lampasas PD warrants, one for criminal trespass and one for theft of property \$100-\$750. The afternoon shows a reported suspicious vehicle in the 1900 block of Grand Canyon Dr. at 12:45pm, and then a disturbance was reported in the 1600 block of E. Ave I at 2:19pm. A minor accident took place in the 100 block of EE Ohnmeiss Dr. at 5:48pm, there was a reported noise disturbance in the 300 block of E. 1st St. at 6:25pm, and suspicious activity was reported in the 1200 block of E. 4th St. at 8:15pm, and a reported criminal mischief was reported in the 700 block of S. Broad St. at 8:15pm.

The Lampasas Sheriff's Dept. blotter shows a quiet day with Kempner reporting a livestock issue and a sex offense. Out in the county there was a narcotics call.

The Burn Ban has been lifted until May 7th, however the Texas A & M Forestry Service sent the following to Lampasas Radio, and we confirmed Lampasas County is included in this statement; "Wildfire potential is increased Tuesday through Thursday across portions of the state, including the Western Plains and Trans Pecos. The combination of above normal temperatures and dry conditions, as well as an extended period of forecasted elevated to critical fire weather, will create an environment conducive to wildfire activity this week.. The peak day for increased wildfire potential is likely Wednesday due to above normal temperatures, high wind speeds and low relative humidity over dry fuel beds. Any wildfire that ignites in dormant, cured grasses may spread rapidly due to the expected high wind speeds with gusts near 40-50 mph. These wildfires may be more resistant to firefighters' suppression efforts. In preparation for elevated fire weather conditions, Texas A&M Forest Service has prepositioned additional fire resources across the areas of concern. Additionally, three Texas Intrastate Fire Mutual Aid System (TIFMAS) strike teams have been mobilized to assist

It was a thrilling win, and an amazing job on the mound by Ace Whitehead...even though the game was kind of boring for 5 ½ of the innings.

Next up for the Badgers is the non-district Georgetown tournament which runs Thursday through Saturday.

We'll get a chance to talk to Coach Chance Evans and some of the team on Thursday morning at about 8:15am in our Badger Baseball show on KACQ.

The Badger JV team lost to a really good Hornet JV by a 3-15 score.
