## Coach Chance Evans Visits Lampasas Radio

Lampasas Badger Baseball Coach Chance Evans visited Lampasas Radio studios this morning, and will be back each Thursday morning.

Coach Evans shares that he is from the San Angelo area, and has coached in Ballinger and Ranger, and that the Lampasas Badger winning philosophy and hard working kids made his transition much easier. He also shared that he would be here 'forever, or when they ask me to stop coaching baseball'.

The district schedule this year includes 3 games against each opponent. Coach Evans shared that this prevents playing the same team twice in a row, and helps on the tie breakers at the end of the season. (And, by the 3<sup>rd</sup> time you play a team, you should have them figured out.)

The conversation went to the Tuesday night game, where Badger pitcher Ace Whitehead struck out 18. He threw 94 pitches Tuesday, so now has to rest 4 days. Coach Evans talked about the focus Ace has when pitching, and stays calm.

Also in the bullpen is Gage Gholson who pitches in the low to mid 80's, and shares that they have 5 or 6 others to step in as closers if necessary. He said it all: "the kids can bring it".

Mr. Witcher asked about Hadley Berry, and the fact that the pitcher and the assistant coach played baseball together. However, Coach Evans said Coach Berry is doing a great job.

The boys have the Georgetown Tournament this weekend. The games in this tournament have been scheduled so students involved in baseball and track can compete today, and they will play twice tomorrow, Cedar Ridge High School at 11:30am and Georgetown High School at 2pm.
