Public Hearing Scheduled

The Lampasas County Commissioners court has scheduled a public hearing on Monday March 14th at 9am in the Commissioners Courtroom in the Lampasas County Courthouse.

The hearing will be on the proposed designation of a county reinvestment zone by the Commissioners Court of Lampasas. The company involved is Triple B Solar LLC and Affiliates.

The public is invited to attend.

Monday Meetings

The Lampasas County Commissioners Court has a regularly scheduled meeting Monday March 14th at 9am in the Commissioners Courtroom at the Lampasas County Courthouse. The meeting will commence immediately after the public hearing on the Reinvestment Zone.

The agenda includes the consent agenda, to include the treasurer's quarterly report and monthly reports from other county offices. Also included on the agenda is the order designating a reinvestment zone for Triple B Solar LLC and affiliates, the farmers market, the appointment of constables for Precinct 1 and Precinct 4, a racial profiling report from the Copperas Cove Police Dept., awarding a bid for asphalt and emulsion, a request bid for the depository, the contract for the annual sprinkler system inspections, the contract for the semi-annual maintenance and service agreement of the jail Kohler Generator, and the preliminary plat for the Bluffs at Yancy Creek, a subdivision.

The Lampasas City Council will meet Monday starting at 5:30pm for the workshop session. The agenda for the workshop session includes an update to the Covid-19 pandemic, discussion of Turner Baseball Field upgrades, discussion of the March 21st Council Work Session and discussion regarding supporting efforts by the Kiwanis Club in partnership with Landscape Structures, Inc. for a competitive grant funding for a splash pad.

The regular session will begin at 6pm. The agenda includes discussion and possible action on a request for a Specific Use Permit to allow for an open storage, display or work area for merchandise or machinery in an area zoned retail known as 102 S. Key Ave. Also included on the agenda is a request to rezone property from retail to single family residential for property known as 204 E. 1st St. There will be a second reading of an ordinance for a specific use permit for property known as 1900 Grand Canyon in Lampasas to allow for a garage apartment/accessory structure (guest quarters) in an area zoned single family residential. Also included is the consent agenda, routine matters, the City Manager's operational report to include discussion of the planning commission and the Georgetown Water Tank. In new business there will be discussion and possible action on approving HOT funds in the amount of \$7,287.74 for the Riata Roundup Rodeo and the LTX BBQ fest, fencing and improvement to Hanna Springs at Campbell Park and discussion regarding a letter of understanding with SCC Development regarding use of an alley located between 108 S. Key and 105 W. 1st St.

The Blotter

Lampasas Police Dept. blotter for Friday shows the early morning arrest of Kathleen Benton, 29, of Hamilton in the 1700 block of 281N for possession of marijuana less than 2 oz. at 12:41am. A disturbance was reported in the 200 block of W. Ave B at 9:03am. The afternoon shows a reported theft in the 500 block of N. Hackberry St. at 12:27pm, an unauthorized use of a motor vehicle report came in from the 2700 block of 281S at 12:27pm, and a possession of drug paraphernalia was reported in the 300 block of 281S at 3:20pm. There were 4 assaults reported; in the 700 block of Brown St. at 5:23pm, in the 600 block of White St. at 5:57pm, another assault reported in the 600 block of White St. at 6:47pm and one in the 600 block of S. Spring St. at 8:52pm. At 9:48pm, Amy Delacruz, 46, was arrested in the 200 block of W. 3rd St. for DWI w/ blood alcohol content over 015%. At 10:47pm, Abraham Rodriguez, 18 years of age was arrested in the 1700 block of Santa Fe Ln. for possession of a controlled substance PG1/1-B less than a gram and possession of marijuana less than 2 oz.

The Lampasas County Sheriff's Dept. blotter for Friday shows Lometa with a medical call. In Kempner, there were civil matters, a structure fire, an accident, a requested welfare check and a warrant was served. Out in the county there were livestock/animal issues, civil matters, an abandoned vehicle report, medical calls, reports of suspicious activity and a reported disturbance. Deputies went into Cove on a medical call.

The Jail log shows the arrest of 48 year old Jacqueline Jo Pickard of Lubbock for failure to appear.

Daylight Savings Time

It is that time again, yes, you lose an hour of sleep, and twice a year people across 74 countries experience time travel. In the US, people whisper to themselves "Spring forward, fall back" like a quiet chant to recall which direction they're going on the second Sunday of March, when the clocks move an hour ahead, and on the first Sunday of November, when time winds an hour back.

This year daylight saving time (DST) will start at 2 a.m. on Sunday, March 13, in the US. Waking up and falling asleep can be hard enough as it is—the added challenge of darker mornings, brighter evenings, and jet-lag-like symptoms make the undertaking that much more difficult. The DST shift is more than just that, though: By moving one hour of daylight from the morning to the evening, you're disrupting your circadian rhythm, the 24-hour cycle that's governed by your body's internal clock, for the full eight months everyone is on DST.

The jump to DST creates a gap between your body clock, which responds to the sun, and your social clock, which is set by humans. "This mismatch in our biological clock and our environment leads to a number of non-optimal situations in our health," Joseph Takahashi, PhD, a professor of neuroscience at University of Texas Southwestern Medical Center, says. And sleep is only one area that the shift to DST can disrupt: After the spring shift, car accidents, heart attacks, and ischemic strokes spike, too.

If the shift throws you off, it probably won't make you feel better to be reminded that daylight saving time was created largely for economic reasons, to sell more gasoline, golf clubs, gardening tools, and the like. In the short term, it's simply not pleasant to lose an hour, wake up in the dark, and start your day feeling just a bit behind.

Fortunately, there are some concrete steps you can take to blunt the effect that DST has on your sleep, and many of them are habits that lead to good sleep year-round. The best way to combat the effects of DST on your sleep is to have a good foundation. "If you have excellent sleep hygiene leading up to DST, it's an easier transition to make," says Chris Winter, MD, author of *The Sleep Solution*.
