## Commissioners Court

**The Lampasas County Commissioners Court** met Monday morning for a regularly scheduled meeting. The Lampasas Municipal Utility District (MUD) #1 was brought up several times during public comments. TCEQ is requesting the building of a MUD in west Lampasas County. "[TCEQ] is proposing 420 new households and 1092 predicted residents," a woman in opposition of the MUD said. "How will this affect our community, the sheriff's department, and our schools?" "It's not responsible to build a 400-unit district," a man in opposition of the MUD said. Developers have not submitted an application to develop the MUD yet. "I am opposed to the MUD development, it's just simply not feasible," said County Judge Randy Hoyer. "I see it backfiring and releasing a burden back onto Lampasas," he added. "I don't think this MUD will ever work," said Commissioner Mark Rainwater. "But do we have the authority to stop it?" The Commissioners Court cannot make a decision on the utility district; they can only send a letter of recommendation to TCEQ. A proposal to send a letter of recommendation in opposition of the Municipal Utility District to TCEQ was approved unanimously.

Lampasas County will be holding a Household Hazardous Waste event, in partnership with the Central Texas Council of Governments, on March 18<sup>th</sup>, 9AM @ Kempner City Hall. The event will end when the contractor has reached their allotted weight limit. "I'm expecting turn-out to be a lot less this year," said Commissioner Bobby Carroll. "Everyone got rid of their stuff last year." The event is open to residents of Bell, Coryell, Hamilton, Lampasas, Milam, Mills, and San Saba Counties. Staff will be accepting fluorescent/CFL bulbs, pesticides/herbicides, acids/other chemicals, household cleaners, paints, antifreeze, used oils, and batteries. **DO NOT BRING tires, electronics, fire alarms, smoke detectors, explosives, pressurized containers, or brush.** Call 254.770.2366

for more information. A request to purchase a F350 truck with ARPA funds totaling \$65,000 was approved. Burnet County veteran's service officer, Phillip Paul, has been appointed to serve as Lampasas County's veteran's service officer and will be filling both positions.

## Lampasas City Council

The Lampasas City Council met Monday evening for a regularly scheduled meetings. Based on recent input, staff and design consultants on the Hostess House Rehabilitation Project feel the project can be modified to achieve use goals, within available funding. Generally, the analysis suggests reduction in project scope, including elimination of many 'add' alternates. A probable, new scope would focus on accessibility, code compliance, and patron needs (kitchen, restrooms, etc). Staff is working diligently with Reliance Architecture to communicate with bidders, non-bidders, and contractors. A motion to approve the second reading of an ordinance to add swimming pool adult lap fees to the City of Lampasas Code of Ordinances Fee Schedule was passed unanimously. The City Manager's operational report was discussed: staff and volunteers on the Disc Golf Course Project have been working on coordination and layout of a disc golf course proposed at the 580 Sports Complex. The project will be reviewed by the Parks Board on March 16<sup>th</sup> and then be referred to City Council for consideration. A Town Hall meeting has been scheduled for April 5<sup>th</sup>, 2023 at 5:30PM at the Old Middle School to present details for the 2024 Solar Eclipse Event and the City's response. Construction is now complete for the Skate Park. Staff on the Skate Park Project will coordinate a ribbon cutting in the next few weeks with Wings of Eagles and other stakeholders. Council considered a request for a Specific-Use permit in an area zoned Retail "R" to allow for a tire shop at property described as Lot 7-8, Block 51 (101 S. Key Avenue). The request was approved unanimously. Discussion and possible action regarding the approval of TxDOT resolution covering blanket coverage (*cont'd on back*)
