House Fire in Lampasas County

According to a press release from Sheriff Jess Ramos, "on March 15, at approximately 11:04am, Lampasas County Sheriff's office received a call of a structure fire at the 4800 block of County Road 3640 on the border of Lampasas and Coryell Counties. Lampasas County Sheriff's Deputies responded to the call and found a residence fully engulfed in flames. Kempner Volunteer Fire Dept. and the Lampasas Fire Dept. were notified and responded. The home owner, Ruby Miller, 84, was washing dishes when she discovered the fire in the living room area. She immediately attempted to battle the fire to extinguish it. Mrs. Miller's hair and shirt caught on fire in her attempts but she continued to fight the fire. The fire then grew to a dangerous level so she exited the house. Her son, Robert Miller, who lives approximately a quarter mile south of his mother's residence, had come home early from work when he observed that his mother's house was on fire. He immediately went to her rescue and found her sitting outside as she watched her house burning. Mrs. Miller sustained severe burns to her feet. She also received less severe burns on her face, neck, chest, arms and hands. Acadian EMS was summoned to the Miller residence where she was treated and transported by ambulance to Seton Hospital in Harker Heights. Due to the strong winds, the fire spread quickly jumping CR 3640 and racing across the pastures and hillsides. Several other fire departments were toned out to assist with the rapid spreading fire. Lometa VFD, Adamsville VFD, Gatesville Fire Dept., Evant VFD, Copperas Cove Fire Dept., the Texas Forestry Service and the

Texas State Fire Marshalls responded to assist. Lampasas County Commissioners Precincts 1 & 4 also responded with heavy machinery to assist with the creation of fire breaks. Hamilton Electric and Star Propane also responded to assist with the electric power and gas lines. Lampasas County and Coryell County Sheriff's Deputies assisted with traffic control and the evacuation of rural residences that were in the path of the spreading fire.

Lampasas County Sheriff Ramos responded to the scene then drove to Seton Hospital to check on the status of Mrs. Miller. The Sheriff found her to be responsive and Seton Hospital advised her medical condition was stable. Lampasas Fire Dept. Marshall JP Harris will assist with the cause of the fire investigation. All fire agencies cleared the fire scene at 5:33pm."
