What's Goin' On?

Today is St. Patrick's Day

St. Patrick's Day celebrates the life of Saint Patrick—the patron saint of Ireland. This influential missionary has been credited with bringing Christianity to Ireland. St. Patrick's Day takes place on March 17 each year because St. Patrick's death is believed to have been on March 17, 461. Today, people of all backgrounds celebrate St. Patrick's Day, especially throughout the United States, Canada and Australia. Although North America is home to the largest productions, St. Patrick's Day is celebrated around the world in locations far from Ireland, including Japan, Singapore and Russia.

Knights of Columbus Fish Fry

St. Mary's Catholic Church at 701 N. Key Ave. will be hosting their Friday fish fry tonight from 5pm-8pm, or until they run out of fish.

Tomorrow

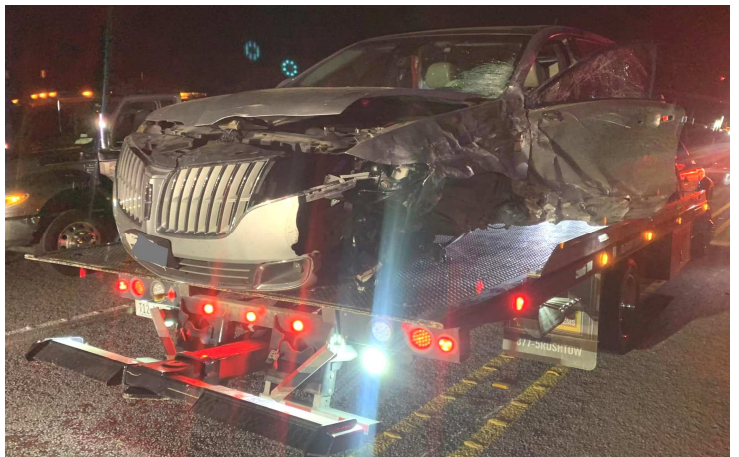

Lampasas County Museum Music Series

The Lampasas County Museum continues their "And the Beat Goes On" music series tomorrow. 1pm will see Roland Schaub and Family perform. At 2pm, Ronnie Witcher, Junior Myers and friends will have a round table discussion of the history of music and the radio stations in Lampasas.

Accident on 183/190

According to scant information from the first dispatches, one vehicle had to attempt to avoid an 18-wheeler and in doing so crashed into an oncoming car traveling on 183 about 7-8 miles out of Lampasas.

There were apparently no serious injuries but the debris field from the accident created a huge traffic backup on the highway. The traffic was literally backed up for almost 2 hours. While the westbound lane was backed up the longest, the line of cars and trucks reaching about a mile, the eastbound traffic coming toward Lampasas was opened up a little earlier. More official information should be forthcoming from our reach-out to DPS.

Lometa ISD Bond Election

Lometa ISD, looking for ways to expand their vocational facilities and programs available to Lometa ISD students, is planning a new building. This will be the Advanced Technical Center, to provide more resources for career technology and vocational programs.

The Building will be 14,000 square feet, with a 5,600 square foot shop and at least 2 new classrooms, as well as an automotive bay. The new classrooms will be for health science students and a computer lab. Lometa ISD is calling a bond for 1.75 million dollars to make this happen.

Lometa ISD shares that for the past several years, the district has been lowering tax rates, and even with the passing of the bond, they estimate they will be able to lower taxes by .058, from the current \$1.06450 to \$1.0065 per \$100 of taxable value.

The election is Saturday May 6th, and the last day to register to vote is April 6th.

Lometa ISD will be having informational meetings on March 30th, April 17th and April 24th at 7pm in the Lometa school cafeteria for residents who may still have questions.
