**The Jail Log** shows the arrest of 71 year old William Owens, of Kempner for public lewdness. Also arrested was Haley Phillips, 27, for failure to comply with the sex offender registry.

*(cont'd from front)* TxDOT's "Be Safe. Drive Smart." campaign urges all Texans to know and follow the laws for safe driving, walking and biking. That includes the Lisa Torrey Smith Act, which went into effect in 2021. Named after a Texas mom who was struck and killed in a crosswalk while walking her six-year-old son to school, the law requires drivers to stop and yield the right of way to people in crosswalks. Motorists who fail to stop and yield and cause serious injury to someone in a crosswalk can face criminal penalties.

Texas law states if you're driving: (1) Stop and yield for pedestrians, bicyclists and other vulnerable road users in crosswalks. (2) When turning, yield the right of way to pedestrians and bicyclists. (3) Pass bikes at a safe distance and give bicyclists room to ride.

If you're walking: (1) Cross the street only at intersections and crosswalks. (2) Obey all traffic signs and signals, including at crosswalks. (3) Use sidewalks. If there's no sidewalk, walk on the left side of the road, facing oncoming traffic.

If you're riding a bike: (1) Always stop at red lights and stop signs. (2) Ride in the same direction as traffic and use bike lanes or ride as near as possible to the right-hand curb. (3) Use hand signals when turning or stopping. (4) At night, make sure your bike has a white light on the front and a red light or reflector on the back.

## Texas 10 Most Wanted Program

The Texas Department of Public Safety (DPS) announced that 2022 was the highest number of Most Wanted Offenders captured in a single year since the program's inception in 1993. DPS in cooperation with federal, local, and Mexican authorities captured a record 72 fugitives and sex offenders; more than doubling the previous record set. In addition to the 72 captures, \$88,000 in reward money was paid in anonymous tips that resulted in arrests. The 72 people captured include 34 convicted sex offenders and 24 gang members – the most in program history. The program also set several other new records with the most warrants cleared (220) and

the most out-of-state captures (14). This included arrests in Arkansas, California, Georgia, Illinois, Iowa, Louisiana, New Jersey, New Mexico, Oklahoma, Oregon, and Mexico.

DPS investigators work with local law enforcement agencies to select fugitives for the Texas 10 Most Wanted Fugitives and Sex Offenders lists who pose the most significant threat to public safety in the state. You can find the current lists on the DPS website. Texas Crime Stoppers offers rewards to anyone who provides information that leads to the arrest of a Texas' 10 Most Wanted Fugitives or Sex Offenders. Crime Stoppers programs enable citizens to anonymously report information about crimes for cash rewards, helping put criminals behind bars and assist in crime reduction efforts.

## FCC Addressing Robocalls and Robotexts

From the FCC: "Unwanted calls – including illegal and spoofed robocalls – are the FCC's top consumer complaint and our top consumer protection priority. These include complaints from consumers whose numbers are being spoofed or whose calls are being mistakenly blocked or labeled as a possible scam call by a robocall blocking app or service. The FCC is committed to doing what we can to protect you from these unwelcome situations and is cracking down on illegal calls in a variety of ways:

(1) Issuing hundreds of millions of dollars in enforcement actions against illegal robocallers. (2) Empowering phone companies to block by default illegal or unwanted calls based on reasonable call analytics before the calls reach consumers. (3) Allowing consumer options on tools to block calls from any number that doesn't appear on a customer's contact list or other "white list." (4) Requiring phone companies to implement caller ID authentication to help reduce illegal spoofing. (5) Making consumer complaint data available to enable better call blocking and labeling solutions.

Check out the consumer guide on Call Blocking Tools and Resources, which includes information on many of the call blocking and labeling tools currently available to consumers at [www.fcc.gov/call-blocking](http://www.fcc.gov/call-blocking)

File a complaint with the FCC if you believe you have received an illegal call or text, or if you think you're the victim of a spoofing scam. For more information go to: [www.fcc.gov/consumers/guides/stop-unwanted-robocalls-and-texts](http://www.fcc.gov/consumers/guides/stop-unwanted-robocalls-and-texts)
