## Multiple Agency Pursuit

According to a press release from the Lampasas County Sheriff's Dept.: "On March 23rd at approximately 6:49pm, Lampasas county Sergeant Jerome Ervin conducted surveillance at a know business in Lometa where a convicted felon identified as David Parks was known to frequent. Sgt. Ervin saw Parks arrive at the business location and approached him to place him under arrest. Parks resisted arrest and ran from Sgt. Ervin. Sgt. Ervin attempted to use his taser to incapacitate Parks, but for some unknown reason the taser did not deploy properly allowing Parks to flee in his pickup truck and travel northbound on County Road 2699 into Mills county at speeds of over 100 mph. Sgt. Ervin pursued Parks in his patrol unit. Parks had total disregard for the rancher's property running through several ranch gates and fences while fleeing. At one time, Parks circled back and attempted to assault Sgt. Ervin's patrol unit with his vehicle. Sgt. Ervin immediately called for backup and was assisted by Mills County Sheriff's Deputies. A code red was issued by the Lampasas County Sheriff's Office making all residences and the west end of the county aware that a manhunt for a wanted person with violent tendencies was

being conducted. The Highway Patrol from Hamilton County also responded to assist where Parks was last observed to have disappeared in a wooded area at the west end of Lampasas County. Other Lampasas County Sheriff's Deputies responded and assisted with the manhunt. Texas Parks & Wildlife Game Wardens from Lampasas and Mills counties responded as well. A Texas DPS helicopter was summoned, but they were not able to assist. Game Warden Shaun Bayless requested air support assistance from his agency. A TPWD helicopter from the Austin ASE station responded and assisted, using their thermal imaging system (FLIR) to detect the body heat of the fleeing felon.

Meanwhile, Sgt. Ervin was able to contact Parks on his cell phone. Parks was very distraught and stated he was going to commit suicide before being captured. Sgt. Ervin was able to establish a conversation with Parks while the Lampasas County Sheriff's Office Communications was able to electronically track Parks cell phone using cellular towers to establish a nearby location. The TPWD helicopter with their FLIR system was able to locate Parks running afoot through the rural wooded areas. Parks was located hiding under some brush. Law enforcement converged on Parks. # The Blotter

**The Lampasas Police** blotter for Wednesday shows a minor accident in the 200 block of EE Ohnmeiss Dr. at 8:31am, and another minor accident in the 1700 block of CTE at 2:22pm. There was a reported disturbance in the 1400 block of E. 3<sup>rd</sup> St. at 4:14pm. At 6:12pm, Brandon Lewis, 40, of Lampasas was arrested in the 100 block of E. 3<sup>rd</sup> St. on 4 Lampasas Municipal Court Warrants (no valid driver's license, expired motor vehicle inspection, failure to appear, and violate promise to appear) and 1 Lampasas County Warrant (driving with no valid license w/ previous convictions). There was a reported prowler in the 600 block of N. Ridge St. at 11:25pm.

**The Lampasas County Sheriff's Blotter** shows Lometa with reports of harassment, and a pursuit (see story). In Kempner there were medical calls, civil matters, an alarm call, and animal issues. Out in the county there were civil matters, an accident, a warrant was served, there was a reported theft, and animal/livestock issues.

**The Jail Log** shows the arrest of 54 year old Tyrone Culley of Austin for failure to appear. Also arrested was 23 year old Araceli Mendoza of Copperas Cove on an out-of-county charge

**From the Lampasas Police Dept.: Warning: SCAMMERS** are calling Lampasas residents, using one of our police officers' names and threatening to cut off their utilities immediately if the resident doesn't pay up. It's not us. Don't give the SCAMMER any money or personal identifying information. Don't be a victim

from all directions. At approximately 10:30pm Game Warden Shaun Bayless was able to apprehend Parks without further incident. Parks did complain of chest pain and was transported via Acadian EMS ambulance to Advent Hospital for further medical evaluation. Parks pickup was not located but the Sheriff's Office will search for it in the daylight. Parks will be jailed on a felony parole violation warrant, resisting arrest, evading arrest, and possibly several criminal mischief charges due to the destruction of the ranch gates and fences. He will be jailed at the Lampasas County Jail.

Had it not been for the great police work of Sgt. Ervin, the TPWD helicopter, Game Warden Bayless and the strong support from the Lampasas County Sheriff's Office Communications division, Parks would still be at large. It certainly was a great group effort by all law enforcement agencies involved that made tonight a safer night

## Sports

**Lady Badger Softball** has a district game tonight at home as they host Brownwood. The game will be broadcast on KCYL 1450am, so if you can't make the game, tune in!

The Ladies will travel to Stephenville next Tuesday for district play.
