## LISD Board Meets

The LISD Board met Monday evening and worked their way through the agenda in less than a half hour. Art work from Kline Whitis Elementary was on display in the Board chamber, and appropriately the Campus Report later in the meeting came from Kline Whitis.

Actions taken by the Board in their meeting included: ●accepted in the Consent Agenda, including the minutes of the March 4<sup>th</sup> Board meeting;

●accepted the List of Bills for the month of February totaling \$599,415.48;

●approved the Superintendent's recommendation for the offering and renewal of contracts for the succeeding year for the teachers and professional staff and authorized the Superintendent to distribute employment contracts to those employees;

Much of the presentation detailed an impressive array of activities beyond the classroom, including ACE (after school enrichment) focusing on math, science, and reading; Marathon Kids; Future Fridays; Veterans Day Honor Walk, a robotics program that involves 60 students; and acknowledged with appreciation an active PTA that provided the school with a new blacktop and striping for the parking lot and a new projector system for the gym.

**The Board adjourned their regular meeting** to go into a Closed Session for consultation with attorney and consideration of Petition for Detachment/Annexation.

## Agronomy?

The FFA Agronomy Team was established this year at Lampasas High. Agronomy is defined as the science and technology of producing and using [plants](#) for [food](#), [fuel](#), fiber, and [land reclamation](#). In FFA we could see it as a technical and scientific education challenge where biology, earth science, plant genetics and other subjects are learned.

Lampasas Agronomy Team members Angela Holverson, Ethan Forrester, and Shelby Case traveled to the March 29th Agronomy CDE, at West Texas A&M in Canyon.

They placed 8th overall, out of 28 teams, in their second ever competition (Angela Holverson's first contest) ! Angela was 10<sup>th</sup>- place high point individual in today's Career Development Event.

They are working toward success at the upcoming Texas FFA State Agronomy Contest, to be held April 27<sup>th</sup> at Texas Tech University.

## Badger Sports

### Baseball

**The Badger Baseball team** gave Burnet a pretty solid licking in last Friday's game in Lampasas, the first in the two game series for the friendly Hwy 281 rivalry. The Bulldogs had trouble on the mound, much of the same problem Taylor had when they lost a two game series with Lampasas recently. Lampasas did not have those problems, simply because Lampasas finds itself with a bullpen of several moderate to really good pitchers.

Lampasas and Liberty Hill now seem to lead the district with 3-0 records as they move through the remaining 7 games in district play. The Badgers will try to get their second win against Burnet tonight in Burnet.

The game starts at 7pm and will be carried live on **KACQ 101.9 and at lampasasradio.com**.

Division 27-4a Standings -

2019 District Overall	W L
Lampasas Badgers	3 0
Liberty Hill Panthers	3 0
Burnet Bulldogs	2 1
Salado Eagles	1 2
Taylor Ducks	0 3
Austin Eastside Memorial Panthers	0 3

### Softball

The Lady Badgers, coming off two wins in a row, after run-ruling both Burnet and Eastside Memorial will play at home tonight, taking on the Salado girls.

JV games will start at 5pm, followed by Varsity at 7pm.

### Tennis

Varsity Tennis was at Liberty Hill on Monday with the cool weather. Coach Kenneth Peiser reports that David Neary/Joel Allan played 3 matches and finished as District Champions. They too control over the #2 seeded Taylor team and won in straight sets, then came out in the final match against Liberty Hill where they traded games, then broke out to take it 6-4 They kept it up and won 6-1 against #1 seeds. Dani Claussen/Jade Beavers finished 3<sup>rd</sup> in girls doubles, Shanice McCain/Exavier Gonzales took 3<sup>rd</sup> in mixed doubles.

Today, Megan Dwamena and Micah Bellanger are playing in the singles finals. The JV team will also play today.

## Attention Business Owners, Co-Owners, Managers and Assistant Managers:

The Workforce Innovation Opportunity Act (WIOA) program is currently recruiting *Training Sites* to provide work experience/ limited internship training to our young adult customers between the ages of 18-24. The program has been approved for **40** hours per week for **seven** weeks; Beginning June 17, 2019. Quality training sites are critical to the success of preparing our young adults for the world of work and the jobs of the future. The purpose of the WIOA program is to provide “meaningful paid work experiences” through realistic work situations. I need training sites with the desire to invest time in our youth by providing supervisors who will mentor and train the youth while on the job and provide a variety of work tasks that are meaningful, hallenging, and interesting that will build the transferable skills of the youth. Funding is paid by WIOA which covers pay and worker's compensation costs for each youth. If you are the training site that can do all of the above I need your help!

Youth qualify for the program based on barriers to employment
