City Council Meets

Lampasas City Council met on Monday evening and discussed code enforcement efforts, a food truck ordinance, and added an article to chapter 50 of city ordinances. It now states that sex offenders may not reside within 1000ft of places where children gather and/or 300ft from a city park.

The Hillside Acres project, slated for 28 homes on FM580 was approved to begin work, and on another front, Early Voting begins on April 22 and runs through April 30. Polling locations are at 315 Pecan St. in Kempner, TX, and at 407 S. Pecan Suite 102 in Lampasas, TX.

Commissioners Court

The commissioner's court met Monday morning at 9 am. Discussion included the donation of a piece of land from Jake Hersman on CR 2699. The piece of land is 3.24 acres, and was donated out of goodwill.

The county commissioners agreed to terminate current collection contract services. This will take place over a period of time. Commissioner Carroll stated that Linewater is a good company but the new system might work better for Judge Garcia. JP 1 Andy Garcia stated that the new system will work better, and be set up to allow tickets that are written to go into a system that is accessible to the judges in the county. The information will be available online for residents to access and pay citations. *(cont'd on back)*

The Blotter

Lampasas Police Dept. blotter for Monday showed an overnight report of a suspicious vehicle reported in the 100 block of N. Chestnut at 1:39 am.

Later in the morning a theft was reported in the 900 block of Casbeer St. at 11:23 am. In the afternoon there was a disturbance in the 100 block of E. 4th at 12:48 pm, then a reckless driver was reported at 12:52 pm in the 1700 block of CTE. A suspicious person was in the 600 block of E. Ave F at 12:57 pm, then another suspicious person was reported in the 1700 block of CTE at 3:24 pm. A domestic disturbance was called in at 3:53 pm in the 1100 block of Nix Rd, and 5:03 pm saw a criminal trespass in the 1300 block of S. Key. A reckless driver in the 1300 block of E. 4th at 5:24 pm was reported and a criminal mischief on Park Lane at 7:46 pm.

One arrest took place as a 22 year old Kempner woman was arrested in the 1400 block of W. 4th St. on a Lampasas County Warrant at 9:53 pm.

Lampasas Sheriff's Dept. blotter shows Lometa responded to a civil matter. Kempner was dispatched to a wreck, went out on a reported threat, worked a theft case and had a few civil matters. Out in the county deputies were sent out on a disturbance, served a warrant, and responded to accidents.

The Jail Log showed the county arrest a 33 year old Killeen man for DWI with a child under 15 in the vehicle and a 50 year old woman from Lampasas on a probation violation.

The Burn Ban is lifted until 7pm April 22nd with no special permits or exceptions.

In another matter Lampasas will be using the new EVS 6000 voting system. The voter will be given a paper copy to mark, then will insert it into the machine, the machine will read the paper and register the vote. This will allow electronic and a hard copy of the constituents choices.

Disposal of excess building material was another issue discussed by the commissioners. It seems there is over 15 dump truck loads of "block CMU" or cinder blocks left over from the construction of the new jail. Some were advised it would be put on the land south of the new jail, while others questioned if it could be used at a later date. It seems the county was looking for a disposal site for this material, but decided the table the issue for now.

Slow Down – No one is in that big of a hurry!

We are all in a hurry, but if we ran into a tractor or mower, or worse yet, a bicyclist, we'd think twice about how important that "hurry" was.

That thought comes to mind when it was pointed out in a Texas Farm Bureau editorial. The article was mostly about slow moving farm equipment along the roadway and how the Texas Legislature was considering adding it to a list of protected "slow-movers" on Texas road shoulders. But, it caused us to think that it is springtime, and that brings lots of walkers, bicyclers, mowers and tractors to public road and highway shoulders. Along with them there are so many impatient drivers on their way to work or home or between job projects. That mix on the roadways spells danger!

It's obvious that we can't afford to build separate roadways for the slow movers, and it's obvious that they can't move any faster. So-o, it follows that the faster drivers will have to slow down and be more watchful, otherwise...life changing bad events can happen.

Please, slow down and watch for the slow guys.

Badger Sports

Softball

The Lady Badgers are looking for a win tonight as they take on the Taylor Ducks at the Lampasas High School field. JV will start the games off at 5pm and Varsity will follow behind them at 7pm. It is little league night.

Baseball

The Varsity Badgers will play the second of the Eastside Memorial series tonight on Badger Field with a 7pm first pitch. Last Friday the Badger boys run-ruled the Eastside boys 22-0 in a short 4 inning game. More of the same is expected, but Eastside is in to play, no matter what.

The Badgers could go into the last 2 district series with a 6-0 record, but those last 2 opponents are the other top teams in district, so...it will be anybody's game from that point on. Tonight's game should be fun and fans have been pretty loyal so far. So, you're invited out to Badger Field for Little League Night, where they're all "cheap seats" and everybody's family. Let's play ball!

The game will be broadcast live over KACQ 101.9FM with Mike and Ronnie calling and commenting on the action. It's also live on lampasasradio.com.

Golf

The Badger golf teams played their last round of the District 27-A golf tournament at the White Wing Golf Club in Sun City yesterday.

The Badger Boys dropped from 3rd to 4th behind Liberty Hill and Salado, they posted a score of 375. David Denis placed 10th in the tournament with scores 86-90, qualifying him to make the All-District team.

The Lady Badgers Finished off the season with a 57 lead over Salado to win the District title. All five of the Lady Badgers finished in the top ten individual rankings, which places them on the All-District team.

The Lady Badger 2nd team finished 4th in the tournament.

The Lady Badgers will be playing at the 4A Region 4 tournament held in Corpus Christi at the Oso Beach Golf Course on April 22nd and 23rd.
