In Lampasas Radio Studios

Lampasas City Manager Finley de Graffenried joined Ronnie Witcher in Lampasas Radio Studios this morning.

They visited about the renovation of the Hostess House and the new scope of the project, and ensuring that all the necessary upgrades are included. The city will revisit the bid process sometime in July.

The City Council discussed a utility rate increase for city utility customers at Monday night's meeting. Mr. de Graffenried spoke about how much the electric market has changed in the past few years. External impacts such as the wholesale price of electric and the cost of belonging to ERCOT have caused rate increases for the city. While the city has held off on a rate increase thus far, they will have to begin passing that expense on to the customer. The City Council will discuss the rate change at the next meeting and the change will take effect 30 days after that.

The City Manager spoke about the funds that the city receives from the Hotel-Motel-Tax, and different ways the city can utilize those funds, including part of the Hostess House Rehabilitation as well as Capital Improvement Projects.

Badger Sports

Lady Badger Softball

The Varsity Lady Badgers softball team kicks off their playoff run on Friday with a home bi-district game against Salado at 6pm. It will be a 2 of 3 series with the second game at Salado on Saturday at 2pm. If its tied up after that, there'll be an immediate game 3 played there in Salado. KCYL Radio will broadcast all the playoff games.

Badger Baseball

The Badger baseball team lost a heartbreaker last night at Georgetown Gateway. They had played a great game all the way to the bottom of the 7th, leading 4-1. It seemed Gateway had no chance, with one at-bat left and the game would be over with the Badgers taking a well-earned victory. That's what we all thought. Ah but, fate has a funny way of taking over great expectations and turning them into disappointment. There was a walk, a couple of Badger infield errors, a bad throw and some Gateway hits that fell deep in the outfield and...suddenly Gateway scored, and kept scoring...4 runs. That made it 5-4 Gateway, and the game was over.

Gateway was jubilant, and the Badgers were stunned. Sometimes it just goes that way.
