National Day of Prayer

In 1775 the Continental Congress set aside a time for prayer while forming a new nation. President Lincoln called for a day of prayer in 1863. On April 17, 1952, President Truman signed a bill bringing the National Day of Prayer into law in the United States. In 1988, President Ronald Reagan amended the law designating the first Thursday in May each year as the National Day of Prayer.

The theme this year is "Exalt the Lord who established us". The National Day of Prayer celebrations are meant to bring residents closer to God and to help them establish stronger roots and beliefs.

Price of Oil Going Up

A story from MarketWatch tells us that Oil prices climbed on Wednesday, after the European Union announced a proposal to phase out Russian oil.

European Commission President Ursula von der Leyen on Wednesday proposed an embargo of Russian oil imports — seaborne and pipeline — to take effect within six months, with a phase out of refined products by the end of the year. The plan is part of a sixth package of sanctions targeting Moscow over its war in Ukraine.

Traders have harbored mixed views on whether a ban of Russian oil would materialize from the bloc, though Germany last week dropped its opposition to such a move.

Von der Leyen also proposed that Sberbank, Russia's largest bank, and two other major banks be disconnected from the SWIFT international banking payment system. *(cont'd on back)*

Chestnut at 12:43am, a disorderly conduct was reported in the 1200 block of Old Convent Rd. at 8:57am and a harassment was reported in the 900 block of S. Broad St. at 11:59am. The afternoon shows a credit card abuse reported in the 800 block of N. Key at 12:06pm, a theft reported in the 1700 block of CTE at 12:36pm, a harassment was reported in the 2700 block of 281S at 1:28pm and a criminal trespass was reported in the 1500 block of S. Key Ave at 2:06pm. A fraud was reported in the 400 block of E. 7th St. at 3:42pm, an unauthorized use of a motor vehicle report came in from the 100 block of EE Ohnmeiss Dr. at 3:49pm and a theft was reported in the 600 block of E. 3rd St. at 3:58pm. Nicholas Young Jr., 32, was arrested in the 600 block of E. Ave F for Interfering with Public Duties at 6:12pm. A suspicious vehicle was reported in the 2800 block of 281S at 7:29pm.

The Lampasas County Sheriff's Blotter for Tuesday shows Lometa with a medical call. In Kempner, there were animal/livestock issues, civil matters, reports of suspicious activity, a repossession, reported disturbances and a warrant was served. Out in the county there were livestock/animal issues, reported disturbances, a reported harassment, civil matters, and medical calls.

The Jail Log shows the arrest of 35 year old Lanier Jones of Humble, Texas for unlawful carrying of a weapon, falsifying a drug test, possession of marijuana less than 2 oz., and possession of a dangerous drug.

(from front) "Russia provides around a quarter of EU oil imports with Germany the top buyer importing around a third of its oil last year. This development is likely to create severe headwinds for the EU economy, particularly Germany with the potential to push price levels higher and exacerbate the inflationary backdrop," said Victoria Scholar, head of investment at Interactive Investor, in a note to clients.

Investors will also be watching for a Federal Reserve decision Wednesday, with expectations largely centering on a 50 basis point interest rate hike, the biggest increase in more than 20 years. Markets are hoping the Fed will get the balance right and not trigger a recession, which could dampen demand for crude.

Just in Time for Mother's Day

According to a story from Lending Tree, quality time might be the best Mother's Day gift. Beyond cards, it's the next top item that moms want this year, at 32%. However, just 21% of consumers giving a Mother's Day gift this year will do this. On the other hand, 31% plan to give their mom a gift card, but only 19% of moms want one.

In the same regard, 20% of moms admit they've been disappointed by Mother's Day gifts in the past. In many cases, spending a lot of money doesn't always align with what moms want: 78% of moms don't expect their kids to spend \$50 or more on a gift.

But spending (regardless of the shopper) is far higher than that, as Americans will spend an average of \$225 on Mother's Day gifts this year, up from \$219 last year. Dads will spend the most, at \$361, likely because they're buying gifts for their spouses and mothers and because ...

Dads say they feel pressured to give their loved ones the perfect Mother's Day. 29% of men with children feel pressured to overspend for the holiday, compared with 19% without children.

On the overspending front, 33% of Americans might take on debt buying Mother's Day gifts — but that's probably not what Mom has in mind. In fact, nearly 40% of consumers say their mom has scolded them for spending too much money on her .
