Badger Teams Playoff Bound

Badger Baseball and Lady Badger Softball both head to playoff games today.

Badger Baseball will travel to Weatherford to take on Iowa Park for the 1st game in a best 2-out-of-3 series for the Bi-District Championship at 6pm today. The 2nd game will be at 4pm tomorrow at Stephenville with the 3rd game to follow if necessary. These games will be broadcast on KACQ 101.9FM with Ronnie Witcher and Angel Martinez.

Lady Badger Softball heads into the Area Round against Argyle at Cleburne High School. First pitch for the ladies will be at 7pm tonight. The game will be broadcast on 1450 KCYL AM with Darrell Brooks and Randy Morris.

Gas Prices Continue to Rise

Just in time for the out of town playoff games, state gas prices have increased an average of \$0.11 as the demand remains strong and the rise of crude oil prices.

The statewide gas price average in Texas is \$3.90 for a gallon of regular unleaded fuel, according to the AAA Texas Weekend Gas Watch. That price is 11 cents more than on this day last week and is \$1.28 more per gallon compared to this day last year.

Of the major metropolitan areas surveyed in Texas, drivers in Texarkana are paying the most on average at \$3.99 per gallon while drivers in Lubbock are paying the least at \$3.77 per gallon.

The national average price for a gallon of regular unleaded is \$4.25, which is 11 cents more when compared to this day last week and \$1.32 more than the price per gallon at this same time last year.

Pump prices rose again over the past week due primarily to the high cost of crude oil. The average price in Lampasas County is \$3.91 a gallon,

Fear of a global energy supply disruption due to Russia's invasion of Ukraine outweighs the demand concerns prompted by the impact of COVID-19 on China's economy. (cont'd on back)

(from front) The cost of a barrel of crude continues to exceed \$100 as the market weighs the European Union imposing possible new sanctions on Russian oil.

"This week drivers noticed prices on the rise due to the crude oil market still reacting to the war in Ukraine," said AAA Texas spokesperson Joshua Zuber. "While it is difficult to say how high prices may go, drivers should prepare their vehicles for road trips this summer by performing recommended maintenance, which can help improve fuel economy and maximize safety."
