## Lampasas City Council

Fire Chief Jeff Smith opened the Council Workshop in the May, 10<sup>th</sup> Council Meeting by sharing that the area continue to show a decline of active COVID cases, and Lampasas now has six active cases. There are a total of 2935 fully vaccinated people in the 76550 ZIP code, which is almost 50% of the residents.

Once again, a push for a mural on the vacant concrete wall on the Calvert Building was brought forth by Vision Lampasas. Council declined that idea for something more relevant to the building. Police Chief Sammy Bailey offered her department's recommendations and amendments to the current livestock and fowl regulations for the City. She stressed that this is a fluid, changing document until it is brought forth for formal approval. *The Radiogram encourages our readers to look over this document as it likely affects you!* Chief Bailey hopes to have a final draft by next council meeting May 24<sup>th</sup>.

A hike and bike concept plan was presented for the 580 Sports Complex, and cost seems to be a factor for the City Council. Two items were discussed in the closed Executive Session. Both involved discussions with attorneys about 1) possible breach of contract and 2) the Court of Appeals in the case of Central Texas Water Supply v. Kempner Water Supply Corp. and City of Lampasas. The discussion and action on these two items were unanimously approved.

The impending renovation of the Hostess House was discussed, as well as City Manager Finely deGraffenried acknowledging the departure of our County Health Authority, Dr. Hay. The last action item council completed and approved was the amended bylaws to the Lampasas Economic Development Corporation which asked that the City Manager have the latitude to appoint an Executive Director. The election results of the May 1, 2021 election are as follows. T.J Monroe is elected mayor, Zac Morris is elected Councilperson for Place One, Randy Clark is elected Councilperson for Place Two, and Herb Pearce is elected Councilperson for Place Six. Congratulations to these newly elected public servants!

## Mobile Vaccination Units

Dr. Hay, the Lampasas County Health Authority asked us to share the following: On May 6<sup>th</sup>, Governor Greg Abbott, the Texas Division of Emergency Management (TDEM), and the Texas Military Department (TMD) announced the launch of the State Mobile Vaccination Team Call Center. Beginning May 7<sup>th</sup> at 8am, Texas businesses or civic organizations have been able to call **844-90-TEXAS** and select Option 3 to schedule a visit from a state mobile vaccine team to vaccinate employees, visitors, or members. To qualify for a visit, a business or civic organization must have 10 or more employees, visitors, or members who voluntarily choose to be vaccinated. **Dr. Hay encourages homebound Texans to call the hotline and select Option 1** to request a state mobile vaccination team to visit their home. "Vaccines are the most effective tool in Texas' fight against COVID-19, and we are committed to making COVID-19 vaccines even more widely available to Texans across the state," said Governor Abbott. "The State Vaccine Call Center will help connect businesses and civic organizations with these life-saving shots and ensure that more Texans have an opportunity to get vaccinated. I urge organizations and businesses to call 844-90-TEXAS and schedule a visit from a state mobile vaccine team. Here in Texas, COVID-19 vaccines will always be strongly encouraged and always voluntary."

## Texas Small Business Week

Governor Abbott on Monday designated May 9-15 as Small Business Week in Texas. The Governor shared that "An amazing 99.8% of businesses in the Lone Star State are small businesses. They are the heart of every Texas community, and their continuing resilience drives local job creation and fuels our mighty economy," said Governor Abbott. "Men and women willing to take a risk, to dig deep into their own pockets and stake their future on an idea, have long written the story of Texas. That pioneering spirit in our small town downtowns to our big city centers still fuels our shared prosperity today. As we unleash the Texas economy, I am proud to celebrate small business growth in Texas. When small businesses succeed, Texas succeeds." I encourage all Texans to actively support small businesses across the Lone Star State in recognition of their resilience and the crucial role they play in our lives and communities. When small businesses succeed, Texas succeeds.

Governor Abbott also announced the next Governor's Small Business Webinar, "Starting a Business in Texas," Thursday, May 13, 2021, from 1 p.m. to 2 p.m., CT. For more information and registration, visit: <https://gov.texas.gov/business/event/governors-small-business-webinar-start-a-business-in-texas>

## Badger Sports

According to an article in the Killeen Daily Herald, The 4A State Golf Tournament, in which the Lady Badger Golf contingent was competing in, (2 strokes out of 1st place on Monday,) was halted due to impending inclement weather midway through the back nine during Tuesday's second round at Kyle's Plum Creek Golf Course, and it would not resume.

As a result, after entering the day two strokes behind first place, Lampasas finished there, shooting a 317-160—477 to place third. Officials totaled Monday's results with scores from the first nine holes of the second round to determine the final standings.

Kinsley Lindeman (79-38) and LeeAnn Parker (78-39) posted identical scores of 117 to finish in a four-way tie for 10th overall individually, while teammates Elizabeth Cross (79-41—120), Shaylee Wolfe (81-42—123) and Kylee Rutledge (98-49—147) rounded out the Lady Badgers' scores.
