## Coronavirus Update

Dr. Georgia Hay, Lampasas County Health Authority shared with Lampasas Radio that the county now only has 3 active covid-19 cases, with a total of 2198 cases. The County has seen 31 fatalities, the last one a woman in her 80's that passed away last week.

Dr. Hay reminds anyone who had their 1<sup>st</sup> dose on April 24<sup>th</sup> at the Lampasas High School, that the 2<sup>nd</sup> dose will be at the clinic this Saturday on May 22<sup>nd</sup>.

Vaccine.gov lists Walmart and Cattles Pharmacy for local sites for vaccinations.

Sunday May 16<sup>th</sup> saw the 1<sup>st</sup> day with no Covid-19 deaths in Texas since March of 2020. This is 2 months and 2 weeks since Governor Abbott opened up Texas, and lifted the mask mandate. There were 2,199 Texans hospitalized with Covid-19, and only 388 new cases. Monday saw 2,157 Texans hospitalized, 23 deaths and 318 new cases.

## Unemployment Benefits to End in June

Governor Greg Abbott today informed the U.S. Department of Labor that Texas will opt out of further federal unemployment compensation related to the COVID-19 pandemic, effective June 26, 2021. This includes the \$300 weekly unemployment supplement from the Federal Pandemic Unemployment Compensation program.

"The Texas economy is booming and employers are hiring in communities throughout the state," said Governor Abbott.

"According to the Texas Workforce Commission, the number of job openings in Texas is almost identical to the number of Texans who are receiving unemployment benefits. That assessment does not include the voluminous jobs that typically are not listed, like construction and restaurant jobs. In fact, there are nearly 60 percent more jobs open (and listed) in Texas today than there was in February 2020, the month before the Pandemic hit Texas."

The current job openings are good paying jobs. According to the Texas Workforce Commission (TWC), nearly 45 percent of posted jobs offer wages greater than \$15.50 per hour. Approximately 76 percent pay more than \$11.50 per hour. Only 2 percent of posted jobs pay around the minimum wage.

At this stage of opening the state 100 percent, the focus must be on helping unemployed Texans connect with the more than a million job openings, rather than paying unemployment benefits to remain off the employment rolls.

Another reason why today's action is needed is the high level of fraudulent unemployment claims being filed. Fraudulent unemployment claims rob taxpayer money and do nothing to help the unemployed. TWC estimates that nearly 18 percent of all claims for unemployment benefits during the pandemic are confirmed or suspected to be fraudulent. Federal law requires the effective date of this change to be at least 30 days after notification is provided to the Secretary of Labor. As a result, the effective date will be June 26th.

## Governor Activates

### Resources for Severe Weather Event

Governor Greg Abbott Monday rostered and activated numerous state resources ahead of severe weather and flash flooding that is expected to impact much of Texas over the next few days. As severe storms move across our state from West Texas, throughout the week, they are expected to bring very large hail, damaging winds, flash flooding, river flooding, and the potential for tornados.

"This severe weather has the potential to cause flash flooding and other damage in our communities, which is why the State of Texas has rostered and activated numerous state resources to support local officials on the ground," said Governor Abbott. "Texans should monitor weather alerts and stay cautious of severe weather and flood risks as this weather makes its way through our communities. Always remember — turn around, don't drown."

At the direction of the Governor, the Texas Division of Emergency Management (TDEM) has activated the following resources:

Texas A&M Engineering Extension Service (Texas A&M Task Force One and Texas Task Force Two): Swift Water Boat Squads and High Profile Vehicles. Texas Military Department: Ground Transportation Platoons, Texas Parks and Wildlife Department:
