Lampasas County MUD #1

The TCEQ website provided the following information:

Pitt Creek Ranch LLC, a Texas limited liability company (Petitioner) filed a petition for the creation of Lampasas County Municipal Utility District No. 1 (District) with the Texas Commission on Environmental Quality (TCEQ). (TCEQ Docket No. 2022-1653-DIS.)

The petition states that: (1) the Petitioner holds title to a majority in value of the land to be included in the proposed District; (2) there is one lienholder, Capital Farm Credit, ACA, on the property to be included in the proposed District and information provided indicates that the lienholder consents to the creation of the proposed District; (3) the proposed District will contain approximately 2,931.97 acres located within Lampasas County, Texas; and (4) none of the land within the proposed District is within the corporate limits or extraterritorial jurisdiction of any city.

The petition further states that the proposed District will: (1) design, construct, acquire, maintain, and own a waterworks system for domestic and commercial purposes; (2) design, construct, acquire, improve, extend, maintain, and operate works, improvements, facilities, plants, equipment, and appliances helpful or necessary to provide more adequate drainage for the proposed District; (3) control, abate, and amend local storm waters or other harmful excesses of water; (4) acquire, own, develop, construct, improve, manage, maintain, and operate roads; and (5) design, construct, acquire, improve, maintain, and operate such additional facilities, systems, plants, and enterprises as shall be consonant with all of the purposes for which the proposed District is created.

It is estimated by the Petitioners that the cost of said project will be approximately \$51,500,000 (\$26,800,000 for water and drainage and \$24,700,000 for roads).

Judge Hoyer and many others have expressed concerns about this project including the Lampasas County Water Control and Improvement District #1. This information is available at: <https://www14.tceq.texas.gov/epic/eCID/index.cfm?clear=Y>. Once there: -Choose "open and closed items" in the top section. -Enter "Lampasas County MUD" in the applicant/respondent section. - Check both "include filings on this item" and "include all correspondence from the public on this item". -Click search

The Contested Hearing is scheduled for May 23rd at 10am. The only items covered in this hearing will be to establish jurisdiction, name the parties, establish a procedural schedule for the remainder of the proceeding, and to address other matters as determined by the judge. The evidentiary hearing phase of the proceeding, which will occur at a later date, will be similar to a civil trial in state district court.

Visit the SOAH website for registration of the preliminary hearing at: <http://www.soah.texas.gov/> or call SOAH at 512-475-4993.

Another bit of Yesteryear

From the Lampasas Heritage Foundation: "Continuing on the series of the impact of the automobile in Lampasas, we thought this was an impressive vehicle. In 1932, you could purchase this gorgeous 1932 Chrysler Imperial Limousine for \$3,575 which equates to a 2023 price of around \$80,000. The average income in 1932 was only \$1500/year. If that car was sold today, it could bring as much as \$1.6 million.

On the left is Dr. Lloyd Smith, father of Greg Smith. In the center is Roger Carpenter, former mayor of Lampasas in the early 1960s. The photo is taken in front of what was then the Keystone Hotel. We know the date of the car but not of the photo, however, this should make this the oldest photo we have of the front of the Keystone Star Hotel and Roger Carpenter would be 21 in this photo. Thanks to Greg Smith for the photo." (photo courtesy of Greg Smith and the Lampasas Heritage Foundation)
