Lampasas ISD Graduation

With the Lampasas ISD Graduation taking place tomorrow evening, Lampasas ISD made the decision yesterday to move the Graduation Ceremony to either the soccer field at the high school or the high school gym. This decision between these venues will be made sometime on Thursday Morning.

If the soccer field isn't a go, we plan to move it to the high school gym. In this case, the ceremony will be held at the high school competition gym at 2716 S. Hwy 281. Due to limited seating, each senior will be given 7 tickets for family members and guests. All family and guests, **regardless of age must have a ticket.** Please enter the high school at the gym entrance. Overflow seating will be available in the cafeteria

A live feed of the 2021 Graduation Ceremony will also be available online, thanks to the Lampasas ISD Technology Dept. To view please select our YouTube Channel below. The live stream will start at 7:30pm.

A Visit with the Lampasas City Manager

Lampasas City Manager Finley de Graffenried was in the Lampasas Radio studios Wednesday morning for his weekly visit with Ronnie Witcher.

Mr. Witcher asked the City Manager about the ordinance being drafted for livestock in the city limits. Last week, Mr. de Graffenried shared that Sammy Bailey will be drafting this ordinance. He stated that the city is "taking small steps in developing an ordinance that doesn't necessarily get in the way

of people having chickens/livestock in their backyard, but certain numbers of these animals are not compatible in a residential setting." The City Manager shared that other cities have ordinances that prohibit roosters in the city limits. The city will also identify species that are 'disruptive' such as guinea fowl.

Mr. De Graffenried said the format for this ordinance will be based on the "latitude such as distance to your neighbors and the size of the property you are on. A 1-2 acre lot in the city will have more latitude." In the Format they are currently drafting. He has advised the City Council that he would like this to be reviewed and updated and set up a time when the public can give input. He did not state that the public input would change the trajectory of this ordinance.

He did state that the ordinance regarding RV parking on the street seems to have a good level of compliance. However, for the truck drivers in our area, there is no publicly identified place to park your trucks.

This Monday, May 24th, the city will swear in the new Mayor, new Council Members and re-appoint the Municipal Judge. Also on Monday the Council will hear updates on the Hostess House upgrades, The Lampasas EDC and Capital Improvement Committees.

The pools have nearly full staff, so are expecting a nearly normal summer pool schedule.

Local Businessman Needs our Help

Leo Ramp Sr. has worked since his retirement from civil service. He owns a small business in Lampasas. Last year Mr. Ramp was diagnosed with stage 4 small intestine cancer. He has been going to chemotherapy and many other appts from side effects of the treatment. He has filed a VA claim for exposure to Agent Orange while in combat in Vietnam. This man fought for his country for over 40 years.

It pains us to ask for help, but we are trying to care for our family. Anything that is given would be greatly appreciated including prayers. Thank you.
