Lometa ISD School Board

The Lometa ISD Board of Trustees will hold a special meeting today at 6pm in the Lometa School Library.

The agenda includes consideration of updates to the 2023-2024 school calendar to include a 4-day flex schedule for the district. There will be a sign-in sheet for public comment available prior to the meeting.

Also on the agenda is consideration of naming an architect or engineer as a district representative for the ATC project duration, and personnel reports.

Boys & Girls Club Funding Boost (Opinion)

One of the most valuable organizations in the area, for almost all of us in one way or the other, is the local Boys and Girls Club.

Given the cost of child care, and the need for low to middle income parents to be working, it's just essential that there be a safe and workable place for kids to be.

For the direct benefit of the families and our local businesses, the Club works well. And that indirectly benefits all of us.

The problem is that there is cost for this child care that isn't covered by the parents, or by any direct public funding. So-o, in our case here in Lampasas, much or most of that funding comes from charity. In our case the charity is the annual Hoffpauir Barn Dance and Auction.

It's an annual event that just took place last Saturday and it raised about \$400,000 for the Boys and Girls Club. Over the nine years the event has been going on, it's raised about \$3 million for the club, pretty much covering the needed annual budget.

For Lee Hoffpauir and all the workers and contributors that took part in the events over the years, we thank you!

Dr. Scott Rushing has been our pet's veterinarian for the last 7 years. He has helped our dogs through their anxieties and sufferings and medical needs as well as end of life transitions. He has been so kind through all our sad moments and tears and was there with us at the last breathing moments of our cherished pet's lives.

Dr. Rushing will be retiring in May 2023 and on behalf of our past loves-Mannie, Joey and Spot—"Thank you for everything and for being so gentle and understanding. " As for us-the pet owners-we hate seeing you go but wish you well in whatever your new endeavors. You will be missed and remembered with love. You are a rare person that your job seems to have chosen you.

Know that you have made a huge difference in our small Lampasas world. Not everyone leaves such a legacy. Thanks for everything, Ed Fitzpatrick and Nell Crow. ^{5.30}
