## Big Bold Plans for Big Divide

It looks like Tx DOT is going to change the look of 2-3 mile stretch of US 190E (or is it already I-14). The plans include the highway from the area of Big Divide up to FM 2657. The proposal is to convert the roadway on US 190 from a four-lane divided highway to a freeway section with frontage roads and overpasses ending at the Coryell County line in Lampasas County. The roadway will be divided with a 24' median and concrete barriers, constructing an overpass at Big Divide Road, and another at Great Hills Dr. This will change the entrance into Taylor Creek Elementary.

TxDOT states that the purpose of the project is to improve safety by constructing overpasses at high-traffic intersections and providing safer access by constructing one-way frontage roads, and improve mobility by adding service roads. This project spans approximately 2.3 miles and approximately 40 acres will be required for right of way.

TxDOT will be conducting a virtual open house with an in-person option. The online version will be available by noon on June 15th and the in-person meeting will be at Taylor Creek Elementary School from 5:30-7pm on June 15th. At the in-person meeting, a presentation will be given at 6pm and questions will be answered by staff during the open house meeting.
