Lampasas Job Fair Today

Job Seekers in Lampasas will have to opportunity today to attend the City of Lampasas Job Fair at the Calvert Building at 302 E. 3rd St. The Job Fair will give applicants the opportunity to connect with local employers. The Job Fair will run from 10am-1pm and will include many employers in the area, including companies in fields such as health care, manufacturing, retail, food service and more.

If you need resume assistance you can contact Workforce Solutions of Central Texas at 523 E. 3rd St. Lampasas.

The Haze in the Air

Yesterday the National Weather Service listed Lampasas as having fog/mist/smoke/haze in the air. According to a story on KXAN's weather page, the haze is due to a combination of 'humidity haze' and smoke from agricultural burns in Mexico. When the two factors combine, it can worsen air quality.

This has caused lower visibility in some areas as well as decreasing

the air quality slightly and is expected to last at least through Friday.

The closest air quality reading to Lampasas is the Killeen/Waco area at AirNow.gov, and it is at a 72. This is in the 'moderate' category which reads 'Air quality is acceptable; however, there may be some health concern for a small number of unusually sensitive individuals'.

ERCOT Issues Weather Watch'

According to a story on KXXV, ERCOT has issued a 'Weather Watch' from Thursday June 15th to Wednesday June 21st due to the forecasted high temperatures in Texas through next week.

A Weather Watch is defined by ERCOT as "an advance notification of forecasted significant weather with high demand." "Grid conditions are normal, but due to forecasted conditions, operating reserves may be lower."

"Last year, ERCOT set 11 new peak demand records, surpassing 80 GWs for the first time ever. The current record of 80,148 MWs was set on July 20, 2022." (cont'd on back)

The Blotter

Lampasas Police Dept. blotter shows a minor accident in the 100 block of W. 6th St. at 9:22am and a domestic disturbance reported in the 700 block of Old Georgetown Rd. at 9:53am. Corey Cook, 31, of Lampasas was arrested in the 200 block of Riverview Dr. at 11:34am on 2 Lampasas PD warrants (assault and criminal trespass). At 12:01pm, Richard Randles Jr., 40, of Lampasas was arrested in the 700 block of Dent St. for interference with an emergency request for assistance. A fraud was reported in the 300 block of E. 4th St. at 12:49pm, an assault was reported in the 1700 block of E. 3rd St. at 7:17pm, a disturbance was reported in the 1000 block of Cloud St. at 7:22pm and there was a shots fired call in the 500 block of E. Ave H at 10:11pm.

Lampasas Sheriff's Dept. blotter shows Lometa with a reported assault, a fish & game call, livestock issues and a warrant was served. Kempner shows medical calls, an accident, a requested welfare check, a fish & game call and a warrant was served. Out in the county there were livestock/animal issues, reports of suspicious activity, a reported theft, a reported trespassing, civil matters and a report of an abandoned vehicle. Deputies went to Cove on a burglary in progress and a fire.

The Jail Log shows the arrest of a 35 year old Cedar Park man for no driver's license.

Detectives from the Criminal Investigation Division have been working diligently, using all available methods at their disposal to identify the unknown male (*below right*). Anyone with information on the whereabouts of Kahlan (*below left*) or the identity of the male are asked to notify the Copperas Cove Police Department immediately at 254-547-8222.

Sports

Lampasas High School basketball coach Aaron Nuckles shares that the Lampasas High School Summer Hoops program just finished their 2nd week, winning both games last night.

Lampasas defeated Lometa 77-34, with top scorers being Beau Patterson with 30 points, Aidan Nuckles with 22 points and Jax Pratus with 8 points.

Lampasas went on to defeat Richland Springs 69-51 with Beau Patterson having 23 points, Aidan Nuckles having 19 points and Jax Pratus having 9 points.

According to ERCOT, there is enough capacity to meet forecasted demand at this time.

No action is needed from Texans, but it says that "reducing electric use during peak demand times can help you save and lower demand on the grid."

Missing Teen from Copperas Cove

The Copperas Cove Police Department is investigating a missing juvenile case involving 15-year-old Kahlan Anne Moreillo. Her family advised she was last seen in the backyard of their home around 7:30 PM on the evening of June 12th.

Kahlan is believed to have been picked up by an unidentified white male in an unidentified vehicle that she was believed to have been communicating with through a social media. The unknown male is believed to be around 30 years of age and not a local resident.

Kahlan is 5'7" tall and weighs 95 lbs with brown hair and eyes.
