## Update on Fatality Fire

**From Fire Chief Jeff Smith:** "Lampasas, Texas – On 6/13/2022 at 0051 hrs, the Lampasas Fire Department responded to a structure fire in the 1700 block of East Avenue G. The first emergency personnel arrived on scene at 0053 hrs. There was 1 Engine, 2 Command Vehicles, 2 Deputy Chiefs, 1 Rescue, 1 Squad and 2 Ambulances on scene. There was one civilian fatality and one firefighter injury.

Investigation of the incident site has been completed by members of the Lampasas Fire Marshal's Office and members of the State of Texas Fire Marshal's Office. This incident will remain open until reports are received from the medical examiner.

At this time the name of the victim has not been released as we await notification of family."

## City Manager's Notes

**Finley de Graffenried**, Lampasas City Manager was in Lampasas Radio studios this morning.

He confirmed that construction on the Skate Park will begin within 90 days and is being built by the same company that designed it. Once built, the park will be classified as a park asset.

There is currently 1.4 million dollars in the HOT funds, and with the \$400,000 going to the skate park, there is a \$1 million balance left in that account.

When questioned about a separate civic center/community center fund by Mr. Witcher, the City Manager stated that there is not a separate fund for a civic or community center in Lampasas, it was part of the existing fund. However, the city is looking at some modifications to the Hostess House to make it more user friendly. Some estimates place the cost of renovations at more than \$1 million dollars. The plan is to do some structural upgrades and update accessibility.

## TxDOT Seeks Ideas for a Lampasas Loop

**TxDOT will have a meeting** on June 28<sup>th</sup> at 5:30pm at the Lampasas Middle School cafeteria on S. Broad St. in Lampasas.

Everyone who drives Key Ave. knows there is a lot of traffic congestion, in particular, there is definitely a lot of truck traffic along our main streets. It is unbearable at times. A relief route from north to south could go east or west to loop around town.

The meeting is seeking input from residents on ideas about how a (loop) relief route should be constructed.

## Order Banning Certain Fireworks

**Due to the drought conditions** in Lampasas County determined by the Texas Forest Service, the Commissioners of Lampasas County have adopted an order prohibiting the sale or use of restricted fireworks in the unincorporated areas of Lampasas County.

A person may not sell, detonate, ignite or in any way use fireworks classified as "skyrockets with sticks" or missiles with fins in any portion of Lampasas County

The order does not prohibit 'permissible fireworks'.

A person commits an offense if the person knowingly or intentionally violates a prohibition established by this order. An offense under this order is a class C misdemeanor.

## Disaster Preparedness

AUSTIN - Today the Texas General Land Office announced its public outreach initiative to encourage Texans to be prepared and stay prepared for hurricane season, which began Wednesday, June 1 and runs through November 30, 2022. The preparedness campaign includes a video advertisement series titled, "Don't Ignore Your Risk", a bilingual multi-media, multi-platform campaign urging Texans to take time now to know their risk, purchase flood insurance, protect their home, safeguard documents, and prepare emergency supplies and an evacuation route.

"It is important to be prepared to have a solid plan in place prior to severe weather," said Commissioner George P. Bush.

"Knowing your risks, having an evacuation plan, gathering supplies, securing documents, and protecting your property with flood, wind, and fire insurance are key steps to being prepared for storms or wildfires. For more disaster preparedness tips, Texans can follow the GLO on social media and find information for family and pets at [recovery.texas.gov/preparedness](http://recovery.texas.gov/preparedness)."

## The Blotter

**Lampasas Police Dept. blotter for Tuesday** shows a report of a suspicious person reported in the 400 block of W. Ave B at 12:14am. At 1:37am Chevy Vega, 34, of Lampasas was arrested in the 700 block of N. Key Ave for Possession of Drug Paraphernalia and a Lampasas PD Warrant for criminal trespass. There was a disturbance reported in the 1300 block of CTE at 2:30am, and a suspicious person was reported in the 400 block of N. Key Ave at 3:35am. There was suspicious activity reported in the 1700 block of E. Ave G at 7:45am, a harassment was reported in the 300 block of E. 4<sup>th</sup> St. at 7:51am, and a criminal trespass was reported in the 600 block of S. Main St. at 10:22am. The afternoon shows the arrest of 20 year old Joshua Sanchez, 20, of Lampasas in the 100 block of E. 3<sup>rd</sup> St. on 3 Lampasas County Warrants (Motion to adjudicate-cruelty to non livestock animal, motion to adjudicate-possession of a controlled substance PG1 less than a gram, and motion to adjudicate-injury to a child/elderly/disabled person w/ intentional bodily injury)at 3:06pm. There was a suspicious vehicle reported in the 1700 block of E. Ave G at 5:28pm, a reported fraud on Sue Ann Dr. at 5:57pm, a suspicious person was reported on Lively Lane at 7:38pm and a suspicious person was reported in the 1300 block of CTE at 10:29pm.

**The Lampasas County Sheriff's Blotter** for Tuesday shows Kempner with civil matters, a reported trespassing and a warrant was served. Out in the county there were medical calls, civil matters, and an attempt to locate. Deputies went into Cove on a structure fire.

(cont'd from front) homeowners received an average of \$8,900 in individual housing assistance from the Federal Emergency Management Agency (FEMA) following Hurricane Harvey, while the average of flood insurance claims was \$115,104. According to FEMA, just one inch of flood water can cause more than \$25,000 in damage.

The GLO encourages all Texans to prepare for hurricane season by doing the following:

\*Know Your Risk - Sign up for your community's emergency warning system. The Emergency Alert System (EAS) and National Oceanic and Atmospheric Administration (NOAA) Weather Radio also provide emergency alerts.

\*Make Your Evacuation Plan - Check with local officials about updated evacuation shelters for this year. Know where your family will meet up if you are separated and where you will stay. Pack a "go bag" including items you need to take with you if you evacuate. A "go bag" should be easy to carry and kept in a place where you can grab it quickly. Check with [drivetexas.org](http://drivetexas.org) to find routes near you. To find a shelter near you, download the FEMA app at [fema.gov/mobile-app](http://fema.gov/mobile-app).

\*Gather Supplies - Plan for your entire household including children, people with disabilities or access/functional needs, and pets.

\*Secure Documents - Remember to secure copies of important personal documents. Filing for government assistance requires documentation. Be sure to keep documents in a secure location and take them with you if you need to evacuate. Place these documents in a waterproof bag and back them up on cloud storage or a thumb drive.

## Happy Anniversary

Larry & Dorothy Morrison 59 years  
Rene & Lore Uhler 49 years

## Happy Birthday

Joyce Lasko White-82

\*Protect Your Property - Shutter your home as needed, review your flood insurance policy (or sign up for one), and declutter drains and gutters. Most homeowner and renter insurance policies do not cover flood damage. A flood insurance policy generally does not take effect until 30 days after purchase, so be sure to maintain your policy. Take a video "tour" of your home to document all items and the home's current condition.

The campaign will run for the next three months and includes social media, digital display, cable, broadcast and streaming platforms. Inspired by Senate Bill 285, signed into law during the 86th Session of the Legislature, the GLO has remained committed to educating Texans about the benefits of protecting their homes and finances through flood insurance and being prepared for storms and other natural disasters.
