## Dates for the 2023-2024 Lampasas ISD School Year

Lampasas ISD shared that for the 2023-2024 school year, new student registration will be on Wednesday July 19<sup>th</sup> from 9am-6pm at the Lampasas High School cafeteria. Family Access Update/Support will take place on July 26<sup>th</sup> from 9am-4pm at Lampasas Middle School. Meet the teacher night will be Monday, August 7<sup>th</sup> with Hanna Springs and Kline Whitis Elementary holding theirs from 5-6pm and Taylor Creek Elementary holding theirs from 5:30-7pm. The Open House for Lampasas Middle School will be August 8<sup>th</sup> from 5-6:30pm, and the one for Lampasas High School will be on Tuesday, August 8<sup>th</sup> from 5:30-7pm. The 1st day of school is August 10<sup>th</sup>.

## Juneteenth Closings

The **Holiday of Juneteenth** will be observed on Monday. The US Postal Service will be closed along with all the local banks. The First Texas Motor Bank will also be closed today. Lampasas County and City offices will be open, as well as the Radiogram offices.

## Heat-Related Safety

Lampasas County is under an excessive heat warning until **8pm Sunday**. This has been extended from the original excessive heat warning. Criteria for an excessive heat warning is a heat index of 110-120 degrees, considered dangerously hot. The Lampasas area recorded the first 100° day of 2023 yesterday at 5:35pm with a high of 101°. The temperature is supposed to reach past the 100° mark through the middle of next week.

Officials are advising for residents to stay indoors with a fan or air conditioning if possible, wear lightweight clothing, limit strenuous activity during the hottest parts of the day, if you are outside, seek shade, avoid caffeine and alcohol (they can cause dehydration), if you are overheated take a cool shower or bath, get plenty of rest, keep hydrated by drinking lots of water and check on others!

## New Fentanyl Legislation

Governor Greg Abbott this week signed four pieces of legislation into laws to combat the growing national fentanyl crisis. The legislation was passed during the 88th Regular Legislative Session at the Texas Capitol. The laws signed by the Governor represent a significant step in the state's fight against the deadly opioid.

**Bill 6** creates a criminal offense of murder for supplying fentanyl that results in death, enhances the criminal penalty for the manufacturing or delivery of fentanyl, and requires deaths caused by fentanyl to be designated as fentanyl toxicity or fentanyl poisoning on a death certificate.

**Senate Bill 867** allows the distribution of opioid antagonists, including life-saving NARCAN, to Texas colleges and universities to prevent opioid poisonings.

## LCRA Awards Grants

The Lower Colorado River Authority recently awarded nearly \$815,000 in Community Development Partnership Program (CDPP) grants for a wide range of projects across LCRA's wholesale electric, water and transmission service areas. The CDPP grants will help pay for improvements at local parks, museums and other community attractions or meeting spaces. LCRA General Manager Phil Wilson said the grants help LCRA give back to the communities it serves across Texas.

"These projects add value and vitality to communities by improving public health and safety and boosting economic development," Wilson said

### Lewis & Ronda Bridges

Almost half of the recently awarded grants will assist first responders with projects such as upgrades to fire stations or the purchase of specialized firefighting gear, rescue tools and life-saving equipment.

To date, LCRA has awarded 1,967 community grants totaling more than \$50 million. When combined with more than \$234 million in community-raised matching funds, the program has invested almost \$285 million in local communities.

The grants include:

In Florence, a \$24,771 grant from LCRA and Pedernales Electric Cooperative will go to the Florence Volunteer Fire Department for a mobile crash barrier to protect the public and first responders at the sites of vehicle accidents.

In Goldthwaite, a \$25,000 grant from LCRA and the City of Goldthwaite will go to the Texas Botanical Gardens and Native American Interpretive Center for a rainwater catchment system to irrigate a native plant garden and highlight water-wise landscaping practices.

In Johnson City, a \$25,000 grant from LCRA and Pedernales Electric Cooperative will go to Lights Spectacular for electrical upgrades on the grounds of the Blanco County Courthouse to support the annual Lights Spectacular holiday display and other community events on the courthouse square.

In San Saba, a \$5,000 grant from LCRA and the City of San Saba will go to the San Saba County Historical Museum Foundation for an outdoor exhibit near the museum to illustrate the history and importance of water in the county.

CDPP grants are awarded twice a year for capital projects for volunteer fire departments, emergency responders, cities and counties, schools, libraries, civic groups, museums, and other tax-exempt nonprofit organizations. Applications for the next round of grants will be accepted during July at [lcra.org/cdpp](http://lcra.org/cdpp). Applications are due by midnight July 31.

The Lower Colorado River Authority serves customers and communities throughout Texas by managing the lower Colorado River; generating and transmitting electric power; providing a clean, reliable water supply; and offering outdoor adventures at more than 40 parks along the Colorado River from the Texas Hill Country to the Gulf Coast. LCRA and its employees are committed to fulfilling our mission to enhance the quality of life of the Texans we serve through water stewardship, energy and community service. LCRA was created by the Texas Legislature in 1934 and receives no state appropriations. For more information, visit [lcra.org](http://lcra.org).
