The Weather

The forecasters describe our weather pattern as “stagnant”. This will result in seasonably normal high temperatures and no chance of rain. Highs today are expected to be mid-90’s with the heat index remaining below 100°. Though it will be rain free, it will be humid as the winds bring in the moisture from the gulf.

High yesterday was 99° Low this morning was 73°

The heat index yesterday reached 98° near 4pm.

Today: Partly sunny skies with S winds near 5-10 mph. The high temperature will be near 95°.

Tonight: Mostly clear with SE winds near 10 mph. The low will be near 73°.

Sunday: Sunny and hot with a high temperature near 97° and a S wind at 5-10 mph.

Sunday Night: Mostly clear with a low temperature near 74° and S wind near 5-10 mph.

Monday: Skies will be sunny with the high temperature near 96°. Winds will be SE at 5-10 mph.

Monday Night: A low near 74° and partly cloudy skies. Wind will be SE at 5-10 mph

Comin’ Up Next Week...

Starting on Monday, Walmart, Sam’s Club and Kohls require that all customers wear face masks in their stores. The nation’s largest grocery, Krogers, puts a similar policy into effect on Wednesday. Scores of other stores and restaurants have already instituted the policy, particularly in Texas, where the Governor has ruled it a necessity.

When and How Will School Start?

It seems to most of us that we haven’t heard any definitive word on all this. We’ve heard the Aug. 1 date announcement and the idea of choice of method – either remote learning at home or in person learning at LISD classrooms, but how will the school pull that off with so many questions. And how about sports? Will we see football on Badger Field? Or will we be able to watch it online? Or not!

There are so many questions facing schools, and students and parents. Lampasas ISD Superintendent Dr. Chane Rascoe is to be in our studio on Tuesday, July 21st to answer these and other questions as best he can at this point, though it seems the situation changes every few days. *(cont’d on back)*

To be sure we “your questions,” please let us know what your they are by sending them to news@lampasasradio.com or by calling us before Tuesday morning at 512-556-6193.

What’s Goin’ on ???

Benny Boyd’s

Fundraiser for the Mission

The Lampasas Fire Department will be the location for a fund-raiser for The Lampasas Mission today. The fundraiser will be from 11am-1:30pm, and is hosted by Benny Boyd. For \$8, you can get a plate with 2 BBQ pork chops, green beans, and potato salad.

This will be drive-thru/contactless. Please stay in your car, the meal will be brought to you.

100% of the \$8 will go directly to The Mission, which is experiencing a huge increase in clients needing food this year. Benny Boyd is covering 100% of the cost of the food and supplies.

And...while we’re on the subject of the Lampasas Mission, Lampasas Radio received the following; “Lampasas Mission is implementing procedures to better serve its clients while maintaining social distancing. This requires clients who are picking up food to wear a mask and carry the food to their car. If they are unable to take the food to their car, someone will need to come with them to assist them. Clients may get clothing once a month and three clients at a time will be allowed in the clothing area for 15 minutes”.

Britches & Bows Golf Tourney

The Britches & Bows Golf Tournament started this morning at Hancock Park Golf Course. The golf course will be closed to open play during the tournament.

Governor's Office Announces Remote Learning Funding

for Schools According to **Governor Abbott's Official Website**, the State of Texas will allocate \$200 million in Coronavirus Aid to the Texas Education Agency (TEA) for the purchase of eLearning devices and home internet solutions to enable remote learning during the COVID-19 pandemic for Texas students that lack connectivity.

With the funding, it appears the TEA would be able to purchase and distribute devices, hotspots, routers, and more based on specific needs identified by local school districts.

New Information from TEA

This is an excerpt from the TEA website **SY 20-21 Attendance & Enrollment FAQ**. Subject to certain exceptions listed below, on-campus instruction must be offered for all grades

served by the campus every day for every student whose parents want them to access on-campus instruction for each day a campus is providing instruction given its instructional calendar. Exceptions, as more fully described in this FAQ below, include:

- Remote only instruction provided by a full-time virtual campus operating under the TXVSN.
- Remote only instruction provided because on-campus instruction is prohibited by an order issued by an entity, other than an LEA, authorized to issue such an order under state law.
- Remote only instruction provided any day a LEA closes a campus as a result of a confirmed COVID-19 case on campus, subject to the limits described in this FAQ below.
- Remote only instruction provided during a start-of-school transition period. This period can

Kathy Smart

occur up through the first four weeks of the school year, with the option of extending four additional weeks by vote of the school board (as defined more fully below). During this transition period, LEAs can, if they choose to do so locally, limit access to on-campus instruction to facilitate a safe, effective return to on-campus instruction for students, teachers, and staff. Students who cannot participate in remote learning at home because of lack of broadband internet access or devices must still have access to on-campus instruction during this time.

- Remote instruction as the only option for a subset of students as part of a high school hybrid plan. Specifically, for students in grades 9-12, school systems may establish a less-than-daily on campus attendance option to reduce the number of individuals on a campus at any one time and increasing the total number of students served in an on-campus setting in the LEA, subject to the requirements described in this FAQ below.
