Coronavirus Update

Statewide, on August 3rd, there were 11,774 new and 2,465 probable cases reported, as well as 7,305 Texans in the hospital. There were 51 deaths from Covid reported statewide. Locally, in the last 14 days, Lampasas has seen 128 confirmed cases according to the DSHS website. DSHS estimates the total number of cases in Lampasas County to be 158.

Vaccine Funding

The Texas Department of State Health Services will award \$10 million to local organizations working to promote COVID-19 vaccinations in Texas. The Texas Vaccine Outreach and Education Grant program will provide grants of \$50,000 to \$150,000 to a wide range of groups engaged in vaccine education with the goal of increasing the number of fully vaccinated Texans and slowing the spread of COVID-19 in the state.

DSHS encourages educational agencies, faith-based organizations, government entities, community coalitions, associations and nonprofit groups to apply for the federal funds. They will be awarded for projects lasting from six to nine months.

“Community-based organizations have played a critical role in ensuring people across Texas have access to COVID-19 vaccines, and they have innovative ideas about how to engage the communities they work with,” said Imelda Garcia, DSHS associate commissioner for laboratory and infectious disease services. “These grants will give them the resources to expand their efforts to serve hard-to-reach communities that have been seriously affected by the pandemic.”

DSHS is partnering with Texas A&M University Health Science Center to administer the Texas Vaccine Outreach and Education Grant program.

Texas organizations can submit proposals beginning today with award notifications expected to begin around the end of August. Priority will be given to applicants that focus on reaching rural communities, communities of color and Texans with disabilities. To learn more about the program, eligibility and how to apply, please visit <https://health.tamu.edu/vaccinegrant.html>.

Sales Tax Holiday This Weekend

Texas Comptroller Glenn Hegar is reminding shoppers they can save money on clothes and school supplies during the state's sales tax holiday this weekend, Friday through Sunday.

State law exempts sales tax on qualified items — such as clothing, footwear, school supplies and backpacks — priced below \$100, saving shoppers about \$8 on every \$100 they spend. The date of the sales tax holiday and list of tax-exempt items are set by the Texas Legislature.

Apparel and school supplies that may be purchased tax-free are listed on the Comptroller's website at TexasTaxHoliday.org.
