Lampasas Man Dies in Car Accident in Cove

According to the accident report from DPS: "Texas DPS responded to a report of a two vehicle crash south of Copperas Cove at 12:26pm on Saturday August 12th. A 2007 BMW passenger car, operated by Bernard Christian Uhler II, 48, of Lampasas, Texas, was traveling southbound on FM 116. A 2023 Toyota pickup, operated by a 46-year-old male from Copperas Cove, Texas, was traveling northbound.

According to the Trooper investigating the crash, the BMW crossed over the center turn lane, traveled into the northbound lane, and collided head on into the Toyota pickup. The Toyota was fully engulfed in flames after the collision. The 46-year-old driver, and a 42-year-old passenger of the Toyota escaped with minor injuries.

Uhler II was pronounced deceased on scene by Justice of the Peace Frank Price. Next of kin have been notified.

Crash is still open and active. For a completed copy of this crash report go to [Texas.gov](https://www.texas.gov)."

In Lampasas Studios

This morning in our studios was Coach Aaron Nuckles, the 2nd half of our Football Sportscasting Team along with Matt Janecek. (As most locals know, Coach Nuckles is the Head Coach for Badger Varsity Basketball.)

The Badgers 1st scrimmage was Friday night at Badger Stadium and Matt shared that there was a 70/30 pass/run ratio during play and that he saw lots of execution in short passes and crisp routes. The younger players from last year are moving up and have more experience this year. Coach Nuckles shared that Coach Rogers gave immediate feedback during play that allows players to have more real-time input on how they are playing.

Matt was once again amazed by the number of fans in the stadium for a football scrimmage.

The Badgers scrimmage Brownwood on Thursday in Brownwood before their 1st regular season game on Friday August 25th at home against Elgin.

Mills County Fire

The Pleasant Grove Fire, (below) as it was named by the Texas A & M Forestry Service is located off of FM 572 in Mills County, south of Highway 84 and east of US 183.

After reviewing acreage this morning after sunrise, the fire is said to be approximately 86 acres and as of 7:41am today it was 50% contained.

Wildfire Disaster Declaration for 3/4 of Texas

Governor Greg Abbott yesterday announced that he has issued a disaster declaration for 191 Texas counties in response to widespread wildfire activity throughout the state. Additional counties may be added as conditions warrant. Lampasas County as well as all surrounding counties are included in the disaster declaration.

"The State of Texas continues working with local officials to respond to critical wildfire activity across the entire state," said Governor Abbott. "I issued a disaster declaration to surge the deployment of additional resources and assistance to 191 counties currently experiencing dangerous wildfire conditions. As we continue to respond to wildfire conditions across the state, Texas is ready to provide any additional resources and aid to impacted communities. I commend the bravery and service of the hundreds of emergency personnel and firefighters who have swiftly responded to the wildfires to protect their fellow Texans and communities. Texans are encouraged to remain weather-aware and heed the guidance of state and local officials."

According to the Texas A&M Forest Service, wildfire activity is expected to continue as high temperatures and dry conditions persist. Critical fire weather is forecasted for Central and East Texas, with the risk increasing mid-week.
