Kempner Water Intake Extension Complete

Kempner Water (KWSC) General Manager Bruce Sorenson shared with Lampasas Radio this morning that the intake extension for KWSC has been completed. The new extension is now 16 feet into Stillhouse Hollow Lake. However, they plan on remaining with Stage IV water restrictions. With the current restrictions, KWSC has reduced their water usage by 45% and due to the current drought, the restrictions will stay in place. (cont'd)

The Blotter

The Lampasas Police Dept. Blotter for Thursday shows reports of suspicious persons; one in the 700 block of S. Ridge at 12:03am, one in the 400 block of N. Hackberry at 1:14am, and one in the 200 block of S. Main at 8:05am. There was a minor accident in the 100 block of EE Ohnmeiss Dr. at 8:35am, and a suspicious vehicle in the 600 block of College St. at 11:07am. There were thefts reported in the 100 block of W. 9th St. at 2:01pm and in the 900 block of CTE at 4:34pm. A suspicious vehicle was reported in the 1600 block of 281S at 11:12pm.

The Lampasas County Sheriff's Dept. blotter for Thursday shows Lometa with a medical call. In Kempner there was a repossession, a reported runaway, a reported trespassing, civil matters and medical calls. Out in the county there were animal issues, medical calls, civil matters, a requested welfare check, a reported theft and reports of suspicious activity. Deputies went into Cove for a requested welfare check, medical calls and a sex offense.

(cont'd from front) Mr. Sorenson also shared that the customers that have been fined and/or cut off had water usage of upwards of 100,000 gallons a month. The per-person average for KWSC is 6,500 gallons per month, so a family of 4 would be expected to use 26,000 gallons a month.

Kempner Water is a Non-Profit Water Supply Corporation. Mr. Sorenson also said that Kempner Water will not close its doors.

The Electric Grid

ERCOT asked for voluntary electric conservation yesterday due to low wind-power generation and high demand, operating reserves for ERCOT were very low yesterday afternoon and evening. As a result, ERCOT asked Texans to conserve electricity use yesterday from 3-10pm. According to KWTX, This most recent advisory was issued because of a predicted low wind, high demand day. With no wind, the turbines are at a stand still so production lands on solar energy and solar energy is only reliable during the day.

Today's peak demand is estimated to be 85,601 MWs at 4pm. On August 10th the record demand was set at 85,435 MWs. There is not a voluntary conservation request published at this time, however it looks like a possibility.

Sports

Sub Varsity Football

The Freshmen Badgers started their 1st game strong today as Jeremiah Peters forced a fumble on the Wildcats first play from scrimmage that was recovered by Brayden Crook. The Badger offense scored 4 plays later on a 3 yard run by Jonathan Bowling. Bowling would find the end zone two more times on passes from Tripp Stinnett of 12 and 25 yards respectively. Ty Borchardt added a 2 point conversion to bring the Badger total to 20. Unfortunately the Wildcats were able to score 24 of their own. Final Wildcats 24 - Badgers 20.

The Badger JV got off to an impressive start taking a 21-6 victory over the Elgin JV Wildcats. Leading the way for the Badger offense was Wesley Stephens scoring on runs from 28 yards, 12 yards, and 8 yards. Jaden McElwain also was quite potent on offense for the Badgers with throwing, catching, and running the ball for explosive plays! The Badger defense was stout in their performance with multiple sacks and third-down stands. Mattheus Sanchez forced a Fumble that was recovered by Carter Kuhn, and Cameron Russell also recovered another ball put on the ground by the Wildcats.
