The Weather

The High yesterday 103° The Low this morning 78°

The Heat index in Lampasas reached 105° yesterday

Lampasas County is under a heat advisory until 7pm today.

Please use caution when you have to be out in the heat!

The big weather story this weekend and into next week is the oppressive heat. The forecasters expect the unseasonably high temperatures to last in Central Texas through Tuesday. For the end of next week and Labor Day Weekend, we should have more reasonable temperatures. A cool front is expected next Friday or Saturday and high temperatures will only be in the low to mid 90's.

Today: Sunshine and a high of 103°, with a heat index of up to 107°. Wind will be SE at 5-10 mph.

Tonight: Mostly clear with S-SE winds at 5-10 mph and a low near 76°.

Sunday: Sunny and hot with a high of 102° and heat indices may reach 105°. Winds will be S-SW at 5-10 mph.

Overnight Sunday it will get down to 76° with mostly clear skies and a S wind at 10 mph.

Monday: Sunny and hot again with a high near 99° and a S wind at 5-10 mph.

Monday Night: Partly cloudy with a low near 77° and S-SE winds near 10 mph. There is a 20% chance of showers and storms.

Badgers Win First Game

A clear win over the Brownwood Lions 55-23 on Badger Field

Though it wasn't the aerial circus we're used to with our Badgers, it was the big win we've come to expect from Coach Troy Rogers and his team, led by Ace Whitehead.

We have to admit, we wondered if the team could come back this year with the kind of powerful offense that led them to the

Semi-finals last year. A couple of key receivers and running backs had graduated from the team and you

just wondered.....but then with a QB like Ace Whitehead at the helm, you could surely expect that they'd come back fighting.

Last night was satisfying enough for any skeptic. Though we expected the big receptions to be what took the Badger ball across the goal line, what we saw was some powerful rushing by Jack Jerome, Case Brister and, of course, our running QB, Ace Whitehead. Ace, Case, and RB Jerome had all ran a couple TDs each. Jack Jerome ran one in for 70 yards. One of Ace's was for 98 yards late in the 3rd qtr. Then, shortly after Ace's last quarter 98 yard scamper, Case took a kickoff return back for another 95 yarder.

Though the offensive scoring runup by the Badgers was the story of the game, there were a number of gainers in the air. The best of them was a 20 yard pass from Ace Whitehead to star receiver Michael Murray.

On defense, the Badgers held the Lions back and got the turnovers. Cade White picked up a fumble late in the first period and Keagan Richardson got one late in the 2nd. They held back late in the 3rd and got a turnover on downs.

All in all it was a good evening for the Badgers. They'll go on the road next week, headed for Stephenville to meet the Yellow Jackets. (more in sports)

What's Going On

The Lampasas Craft and Farmer's Market is downtown this morning, and every Saturday, located on the Courthouse Square. From 8am-12pm, you can head down there to purchase anything you may need, from eggs and honey from LDB's business, to just about any handmade item you could imagine with Cate's Crafts. This morning, I was lucky enough to speak with some of the vendors at the market. The atmosphere among the vendors is great, according to Debbie and Lee Stiles. They have been selling their fresh honey and farm-raised eggs for about 2 months in the market. Honey production has been good, as there have been plenty of flowers this year.

Marcus Wolfe, who sells his woodworking crafts, says that in regards to selling online versus in-person, he prefers selling at the market. "Especially in the smaller communities, people are a lot nicer," he says. (cont'd on back)

Lampasas Police Dept. blotter for Friday shows an early morning report of an abandoned vehicle in the 1500 block of Naruna Rd. at 1:56am. A prowler was reported on Perkins St. at 2:08am and a fraud was reported in the 300 block of E. 4th St.

Lampasas Sheriff's blotter for Friday shows Lometa with livestock issues and an alarm call. Kempner shows an alarm call, a reported harassment and a reported disturbance. Out in the County there were medical calls, animal/livestock issues, civil matters, and an accident. Deputies went into Cove on livestock/animal issues, alarm calls and a medical calls.

There is a county wide burn ban in effect!

Cynthia Carter, with Cindy Loo's Thingamadoos, has been personalizing items for about 2 years. Cups, mugs, wreaths and door signs can all be found in her corner of the market, perfect gift ideas for the upcoming holidays. I also spoke to Jerry Hanson, the gentleman responsible for

keeping vendors coming in. Jerry sells handmade wooden bowls and homemade pickles, as well as canned vegetables and jellies. He's been coming to the market for about 2 years, on and off.

Ms. Ada with Cate's Crafts sells an abundance of household items, "a little bit of everything for the kitchen or personal". Everything there is homemade, and she's been selling her items in the market for about a month.

Mr. Weeks sells political merchandise. He's only been at the market twice, but looks forward to continuing to sell there. Fortunately, COVID-19 hasn't affected the quaint market. Jerry says that if anything, it's helped business. "People don't want to go to the store to buy fresh pickles, so they come here and see it and then buy it," he says. All in all, the local farmer's market is a perfect way to get fresh produce, personal items, or kitchen supplies. Start your Saturdays off right, with a visit to the Market.

Notice:

Once again, we have finished another week without being able to restore our KCYL AM radio station. It was knocked out by lightning over 3 weeks ago. We apologize for the downtime.

It is a problem with some unusually hard to get small parts that don't seem to be available anywhere except in Canada. To add to the distance problem, there have been some silly and almost comical roadblocks thrown up before us.

Happy Birthday

Tex Kirkpatrick-15
Jan Nickson

The "absolutely sure" delivery of the overnight shipping of the parts that was supposed to take place last Friday was to be to us yesterday by Fed-ex. We'll hope for the belated delivery today.

As has been the case for the duration of the problem, all programming and messages have and will be aired over KACQ 101.9FM until KCYL 1450AM is back on air.

Sports

Badger Football wins 55-23 over Brownwood

Lampasas proves itself worthy of the top-3 rating in Division 1-4A Texas Football. Depending on who is doing the rating, it appears Lampasas is in the top 3 in its division, and certainly at the top in its District 13.

That said, the Badger team will be in some lofty company this year. Here are some scores for the district teams that we picked up:

Fredericksburg beat Monahans 55-20

Burnet beat Jarrell 46-6

Canyon Lake lost to Wimberley 22-24

Taylor lost to Robinson 21-26

LBJ Austin doesn't play until Sept. 18

District play is still five games away for the Badgers; the team will head to Stephenville next Friday to meet up with the Yellow Jackets that gave Sweetwater a 58-32 stinging last night at Sweetwater.

Stephenville made almost all those points rushing, and most of the TDs came from #15 Running Back Kason Phillips. The Badger defense will likely have their hands full stopping him.

Badger JV football was in Brownwood Thursday night where they lost a lop-sided game 13-41. Bright spots in the game were the pass connections for TDs from Dylan Sanchez to Carson Bekker

Badger 9th Grade football also lost on Thursday when they met the Brownwood freshmen. The final score of Brownwood 17 – Badgers 6 came in spite of what Coach Justin Reeves saw as good play by the lone scorer Brock Langford and defensive action by Keyton Johns and Levi Rivera.

Lady Badger Volleyball didn't have as good fortune this week as last Friday. They lost to Cameron in 3 games, 23-25, 20-25 and 13-25.

Coach Jessica Harborth reports the following:

Best efforts for the team came from Lovejoy with 8 kills, Quarles had 4, Castaneda and Bender both had 3. In assists it was Poole with 21 and in digs Castaneda was strong with 20, Quarles had 11 and both Ullevig and Poole had 6 each.

The JV team avenged a bit, winning in 2 with scores of 25-12 and 25-16. The freshmen girls won in 2 also, 25-16 and 25-21.

The girls will play at home on Tuesday of next week against Crawford.
