Handicap Parking

As a reminder to our citizens, Texas Senate Bill 792 goes into effect on September 1, 2021. The bill requires recipients of the disabled veteran specialty license plate to hang an Americans with Disabilities Act (ADA) placard in their vehicle in order to park in an ADA designated spot. Displaying the disabled veteran specialty license plate only will no longer be enough to park in an ADA designated spot. You must also display the ADA placard as well.

On December 1, 2021, the Department of Motor Vehicle (DMV) will require every recipient who applies for an ADA placard to get a doctor's signature on their application rather than the DMV automatically issuing one.

Public Tax Hearing for City of Lampasas

The City of Lampasas will have a Public Hearing on the tax increase for the 2021 tax year. The proposed new tax rate is \$0.3370 per \$100, up from the \$0.3217 per \$100 of last year.

A Public Hearing will be held on September 7th at 5:30pm in the City Council Chambers 302 E. 3rd St. Lampasas.

The proposed tax rate is not greater than the voter-approval tax rate (\$0.3530 per \$100). As a result, the City of Lampasas is not required to hold an election at which votes may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the City of Lampasas at their offices or by attending the public hearing.

The Mayor, TJ Monroe, as well as Randy Clark, Chuck Williamson, Herb Pearce, Zachary Morris and Bob Goodart voted for the proposal. Cathy Kuehne was absent.
