From Kempner Water

From the Kempner Water Supply Corporation General Manager:

The construction for the emergency connection with Bell County WCID1 is complete and ready for use. This allows us even lower access in the lake under emergency conditions. Before the interconnect, Kempner Water would have been unable to pull water once the lake dropped to 589.3' (elevation), even with the new intake extension. Now, the lowest level (with emergency connection) is 579'.

Stillhouse Lake is currently at 603' and continues to drop daily. Even with the emergency interconnect we only have 24' of water before we absolutely will not be able to pull water to treat. Also, keep in mind that as the lake levels drop the water becomes more turbid (cloudy) and production slows down as it takes significantly more time for the filters to do their job.

Kempner's Water Plant is moving along with our new rack and strainers. The anticipated date for this completion is mid-October and will complete our projects for the 2022-2023 Budget Year.

Kempner Water Supply will continue to keep you updated on all future projects, which will include some line upgrades, a generator at the water plant, and new valves to keep so many from being out of water during a line repair.

Angel of Hope Dedication

The Angel of Hope stands as a symbol of hope for all parents and loved ones who have experienced the passing of a child.

The dedication will take place behind the hospital, outside of the Surgery Center. At 2201 S. Clear Creek Rd. Killeen, Texas

All are welcome to attend.

'Save me with a Seat' Campaign from TxDOT

Car seats work, if you're properly trained to secure the car seat and the child in the car seat. That kind of training is exactly what TxDOT's "Save Me With a Seat" campaign will teach as it kicks off in September to coincide with National Child Passenger Safety Week, Sept. 17– 23, 2023.

"It's extremely important that parents schedule a car seat check today," said TxDOT Executive Director Marc Williams. "Ensuring car seats are installed correctly is one of the most important things a parent or caregiver can do to protect the smallest occupants in a crash."

Around 46% of all car seats are misused as reported by the National Highway Traffic Safety Administration. The campaign invites parents to schedule a free car seat safety check by visiting

SaveMeWithASeat.org and entering their ZIP code to find the nearest TxDOT traffic safety specialist in their area. TxDOT offers free car seat safety checks year-round.

With the "Save Me With a Seat" campaign, drivers are reminded that Texas law requires all children under 8 — or shorter than 4 feet, 9 inches — to be in a car seat whenever they ride in a passenger vehicle. Failure to properly restrain a child can result in a ticket of up to \$250. In 2022, 72 children younger than 8 years old died in traffic crashes in Texas, and 16 of those were unrestrained at the time of the crash.

The November 7th Election

For the November 7th Constitutional Amendment Election in Texas, October 10th is the last day to register to vote and to submit an address change for the constitutional amendment election. To register to vote, most people will have to fill out and submit a paper application. It must be postmarked by the October 10th deadline.

October 27th is the last day to request a mail-in ballot. Applications must be received by the early voting clerk in your county — not postmarked — by October 27th. According to the Texas secretary of state, to be eligible to vote early by mail a voter must: be 65 years or older by Election Day; be sick or disabled; be out of the county on election day and during the two-week early voting period; be expected to give birth within three weeks before or after election day; or be in jail but otherwise eligible.

If you're looking to vote by mail, the deadline for mail-in ballots to be returned to the county is Election Day, November 7th. If a ballot is postmarked by 7pm locally that day, it'll be counted if it's received by the county by 5pm November 8th.

Absentee ballots can also be delivered to your county elections office in person with a valid form of ID while polls are open on Election Day. Under new laws, once election officials receive your ballot, they must notify you of any errors and how to submit corrected forms by mail, in person, or through the state's online tracking tool.

Early voting in person runs from Oct. 23 to Nov. 3. During early voting, voters can cast ballots at any polling location in the county where they are registered to vote.

Nov. 7 is Election Day. Polls are open from 7 a.m. to 7 p.m. on Election Day. Check the open polling locations in your area before you head to the polls. You'll need a valid photo ID to vote in Texas.
