4-H Enrollment

It's time to enroll your kids in the best positive youth development program in Texas! The new 4-H year began September 1, 2022, in all 254 counties in Texas. As part of the Texas A&M AgriLife Extension Service, the Texas 4-H Youth Development Program provides inclusive opportunities to youth ages 8-18 in grades 3-12 for personal growth, community service, and fun.

Happy Birthday

Tim Cockburn 83

Texas 4-H reaches around 500,000 youth per year.

By joining a club in their county, youth have the opportunity to participate in one or many projects, with 43 diverse options to choose from in Agriculture and Livestock, Family and Community Health, Leadership and Citizenship, Natural Resources, and STEM. Youth gain life skills while giving back to their community and making new friends.

Research shows Texas 4-H members excel in comparison to other Texas students. Youth who are involved in 4-H programs are four times more likely to give back to their communities, two times more likely to make healthier lifestyle choices and two times more likely to participate in STEM activities.

To join 4-H, youth pay a \$25 fee, which increases to \$30 November 1, 2022. 4-H registration takes place online and that information or link can be provided by your local County Extension Agent or found on texas4-h.tamu.edu.

Adult volunteers register online and pay \$10 to be considered a registered 4-H volunteer. If you are interested in volunteering with the Lampasas program, contact your County Extension Agent for more information about where to plug in and how to get signed up. To learn more information about Lampasas 4-H, please contact Lampasas Extension Office at lampasas-tx@tamu.edu, 512-556-8271 ext 140, or <https://lampasas.agrilife.org>
