National Voter Registration Day

A Proclamation from the White House shares this:

"The right to vote is the foundation of our democracy — it defines us as Americans and serves as the cornerstone of our liberty. With it, anything is possible in America; without it, nothing is. It is a legacy passed down by our greatest leaders — a legacy which provides each one of us with a voice in the creation of a better Nation. It is the source of our power as citizens, our mightiest tool of social transformation, and the stabilizing tradition that confers legitimacy to our system of Government. Each year on National Voter Registration Day, we reaffirm our conviction that democracy only works when everyone can participate, and we encourage all eligible Americans to register to vote.

In celebration of National Voter Registration Day, let us honor the heroes who fought to secure voting rights and expand them. I call on all eligible Americans to ensure that their registration is up to date and to encourage their family, neighbors, and friends to do the same. Let us all remain engaged with the ongoing struggle to build an America where every vote matters and where every citizen has the ability and the right to participate freely in the democratic process. We cannot give up now. The future of our Nation depends on it. To learn more about how to register or check your voter registration information, you can visit vote.gov."

Locally, residents can register to vote at 407 S. Pecan Suite 102 Monday – Friday from 8am-5pm at the Lampasas County Elections Office. The last day to register for the November 8th Election will be October 11th. Early voting for the general election will be from October 24th to November 4th.

Texas A&M Forestry Service

Last week, a Texas A&M Forest wildfire handcrew was mobilized to the Cedar Creek Fire in Oregon. This 20-person crew is supporting the Willamette National Forest on the wildfire burning more than 112,000-acres.

The Lone Star State Type II Initial Attack Handcrew is comprised of highly skilled and well-trained individuals from all divisions of the Texas A&M Forest Service. This is the third year in a row the handcrew has mobilized for wildfire response in another state.

According to the National Interagency Fire Center, there are 94 large fires burning across the United States with more than 15,000 wildland firefighters and support personnel committed to these incidents.

Thirty-four Texas A&M Forest Service personnel are responding to wildfire incidents in California, Montana, Oregon and Washington.

In addition to the handcrew, two engine crews and multiple support personnel are supporting wildfires (*cont'd on back*)

(cont'd from front) in other states. All resources will complete an assignment lasting 14 to 21 days before returning to Texas. Since Jan. 1, state, federal and local firefighters, including Texas A&M Forest Service and Texas Intrastate Fire Mutual Aid System, have responded to 9,481 wildfires for 638,540 acres burned across Texas. During what became the most significant wildfire season since 2011, Texas A&M Forest Service mobilized more than 4,400 firefighters and support staff from across the nation to support the state's response.

The National Multi-Agency Coordinating Group moved the National Preparedness Level to 3 out of 5, as multiple states experience wildfire activity with a large commitment from national resources.

The state of Texas moved to Level 1 on Sept. 6 due to rainfall through the end of August and a significant decrease in wildfire activity across the state. Wildfire potential across the state remains low.

Texas A&M Forest Service is dedicated to protecting Texas' residents and natural resources from wildfire and all-hazard incidents, even as national activity increases. The agency continues to monitor conditions and assess needs locally.

Happy Birthday
