The rest of the Week: Wednesday brings mostly sunny skies and up to about 70°, then Thursday will bring a little cooler day with a 56° high and more important, the southerly wind will disappear as another cold front arrives with a fury. The Week

School is Back in Session!

Lampasas County Commissioners meet this morning at 9am on the 1st floor of the courthouse. In addition to the usual consent agenda items, the court will discuss a proposal to repair the AC system at the Annex 1 building at 409 S. Pecan St, renewing the Secure tech Systems warranty program for a two year extension, appraisal district budget amendments and the jail project.

This afternoon, at 1pm, the court will meet again in the usual Department Head meeting in the County Office Building's Conference Room at 1:30pm. On that agenda are department head matters and more possible discussion of the jail project.

Lampasas City Council will meet at 5:30pm today for a workshop session and at 7pm for their regular session. Discussions and plans will be on the additional work to be done at the 580 Sports Park's Rodeo Arena and the remodeling of the Old City Hall building into a new City Council Chamber and meeting rooms. The discussions will also return on the proposed building of a Water/Wastewater facility.

A big ticket item for over a million dollars will be discussed as the Coleman water line extension project and some pressure reducing valves appears ready to be awarded to contractor Nelson Lewis, Inc. That extension is part of a long term plan to create a water line loop around the city. There is also a move to award a bid of over \$420 thousand to M&C Fonseca Construction for the West Ave. E project.

Kempner City Council meets Tuesday

Jan, 9th at 7pm in the Council Chamber at Kempner's City Hall. They will handle standard business, approve Appraisal District budget amendments and approve an Arbor Day proclamation. The Mayor is expected to update the Council on Hwy 190 and FM 2808 matters and the 2018 Election Calendar.

The Lampasas County Youth Livestock

Show starts on Thursday Jan. 11th, for its three day run, ending late Saturday night.

Exhibitors and volunteers were busy cleaning up the show barn and getting it ready for animals and people – lots of both. The first of the series begins at 7am Thursday morning when animals begin moving into the barn and the rabbits check in and begin their show. After that it's a Food Show and late in the day it will be broiler chickens.

Friday will see farm animals like pigs, goats and sheep, and farm craft exhibits such as stock trailers and implements and various other wood and metal work.

On Saturday morning it's the Beef Cattle Show, and on Saturday evening the Buyer's Appreciation Dinner and the annual Premium Sale.
