National Night Out

Tonight will be National Night Out. This event is a great opportunity for us to join forces to promote crime prevention awareness and send the message that we are working together to prevent crime in our community. Please join the Lampasas Police Department and other members of public safety on this Tuesday, October 4th from 6-8pm, in the HEB parking lot for fun family activities, food and support of our community.

We look forward to seeing everyone!!

County Road Construction

Detour

CR 2001 will be closed to thru traffic starting yesterday 10/3/2022. Txdot will be removing and replacing the bridge over Lucy creek. We expect the road to be closed up to 4 months. Traffic will be detoured to CR 2060 and CR 2023. Sorry for the inconvenience but it will be nice to have the narrow load zone wooden bridge replaced.

Paving

Lampasas County will be paving on County Road 2200 beginning this Wednesday at 8am. Delays are expected, please use caution and be patient.

From Texas A & M Forestry Service

Since Friday, Texas A&M Forest Service has responded to 47 wildfires for 363 acres burned across the state.

A gradual warming trend and slight increase in surface moisture will moderate the current drying trend through Thursday. A cold front moving through the state on Friday will reinforce dry air and slightly higher wind speeds through the weekend. No improvement is expected in the critically dry surface fuels even though the drying trend will moderate. A period of accelerated drying, Friday through Sunday, is forecast to return to East Texas with very dry air, poor overnight recoveries for humidity and slightly higher wind speeds.

Pedestrian Safety

It will be more challenging to see pedestrians as days get shorter during the fall and winter months. That's why TxDOT's "Be Safe. Drive Smart." pedestrian safety campaign is kicking off National Pedestrian Safety Month, reminding drivers and pedestrians to stay alert and watch out for each other.

Pedestrian traffic fatalities increased by 15% in Texas in 2021. The state saw 5,366 traffic crashes involving pedestrians, resulting in 841 fatalities and 1,470 serious injuries.

"The fall season means not only a shift to cooler temperatures but also fewer hours of daylight, and visibility becomes an issue," said TxDOT Executive Director Marc Williams. "It's important for motorists to pay attention and look out for people walking, and for pedestrians to make sure they take steps to be seen."

For drivers:

- Stop for pedestrians in crosswalks.
- When turning, yield the right of way to pedestrians.
- Be cautious when passing stopped buses or other vehicles.
- Pay attention and put your phone away, so you're always prepared if pedestrians enter your path.

Happy Birthday

Rikki Rodriguez 37

- Follow the posted speed limit and drive to conditions.
- For people walking:
- Cross the street only at intersections and crosswalks. Look left, right, then left again before crossing.
 - Make eye contact with drivers before crossing. Don't assume drivers see you.
 - Follow all traffic and crosswalk signals.
 - Use the sidewalk. If there isn't one, walk on the left side of the road, facing oncoming traffic.
 - When walking, put away electronic devices that take your eyes and ears off the road.
 - Wear reflective materials or use a flashlight at night.
