Commissioners Court

A Commissioners Court meeting was held on Monday to discuss the county burn ban, holidays for 2023, and commissioner court meeting dates, among other agenda items. A proposal to extend the county burn ban that expires on October 23, 2022 was discussed to provide new restrictions and revise previous provisions found in the ban. Under the current burn ban, the usage and sale of fireworks is allowed. The new ban will prohibit this. Commissioner Jamie Smart expressed concerns that firework vendors in the county could end up with a "bad deal" as a firework ban going into effect could be a detriment to this line of work. The motion was tabled to have further discussion with citizens and firework vendors. A motion to approve the 2023 holiday-calendar was presented briefly before being tabled for further discussion. Discussion to add Juneteenth to the calendar was brought up after Commissioner Bobby Carrol expressed support for a 15 holiday-calendar similar to the 2020 holiday-calendar. A motion to increase the wage of election workers was approved. The current wage is \$9 and will be considered for an increase to \$10/\$11. This is still lower than the state wide average of \$13/\$15. A motion to recognize the commissioner court meeting dates for 2023 was approved.

Beto's Fundraising Going Well

(Texas Tribune) Democratic gubernatorial challenger Beto O'Rourke raised over \$25 million from July through late September, and Republican incumbent Greg Abbott raised just less than that, according to figures released Tuesday by both campaigns.

It marked the second consecutive period in which O'Rourke outraised Abbott. O'Rourke's campaign said he collected \$25.18 million during the latest period, covering July 1 through Sept. 29, while Abbott's campaign said he got nearly \$25 million.

Neither campaign released its latest cash-on-hand figures. Abbott had a nearly 2-to-1 advantage in cash at the end of June, with \$45.7 million saved up to \$23.9 million for O'Rourke.

(cont'd from front) The campaigns announced their latest fundraising numbers Tuesday ahead of an end-of-the-day deadline to report them to the Texas Ethics Commission.

O'Rourke's haul proved again why he is a formidable challenger to Abbott, even as the governor continues to lead in polling.

O'Rourke raised \$27.6 million during the previous period, not only outraising Abbott by \$2.7 million but also setting a new record for fundraising in state-level politics.

O'Rourke's campaign said his latest haul came from almost half a million contributions, and the average contribution size was \$53. Nearly all of his 474,876 donations — 98% — were received online.

Abbott's campaign said his summer fundraising came from "nearly 45,000 contributors, and 81% of all the money came from within Texas."

With less than a month to the election, both campaigns are in heavy spending mode, dumping millions of dollars on TV ads statewide.

TxDOT Project Beginning

LAMPASAS COUNTY – Friday, Oct. 14, barricades will be set in preparation of a preventative maintenance project that includes the installation of passing lane and safety improvements on US 190 in Lampasas County.

The Texas Department of Transportation's (TxDOT) contractor, Big Creek Construction, LTD., will begin the first phase of construction on Mon., Oct. 17. Limits of the project will extend from the San Saba County Line to US 183.

Crews will begin with brush clearing and concrete work in the right of way, installing safety end treatments to culverts. Shoulder closures will occur with occasional lane closures as concrete trucks make deliveries.

Motorists are asked to use caution when driving in this area, avoid distractions, and watch for equipment and crews entering/exiting the roadway.

Happy Birthday

Go Badgers!

Badger Tennis

The tennis team headed to Glenrose yesterday for their Bi-District Tennis match with Krum. Knowing this was going to be a close one again and with three one match deciding matches this season, we felt we were ready for a good one

We started out down in all the boys doubles matches.

Girls doubles swept all 3.

We won one tie breaker out of 5. Cannot win many that way. Have to win the close ones.

Our season ended with 2nd in District and a record of 9 -4. Much better record than thinking at the beginning of the year but also thought we would have gotten a little further in playoffs as well.

This was the last team match for 7 seniors. I hope their drive and passion will still be with them in the Spring season. We will start it up in the middle of January. We will play 8 tournaments and have one district tournament to decide who goes to Regionals in Region III at Bryan.

Spring season we will jump over into Region III and be in the district with Burnet, Marble Falls, Lago Vista, Jarell.

The past 2 years we were in Region I.

Thanks to all the parents and family that came out and watched and cheered them on each week.

Times to remember.
