## From TxDOT

Football is a huge part of Texas culture, and with the new season upon us, TxDOT's Drive Sober. No Regrets. Statewide Impaired Driving Campaign is encouraging fans to celebrate responsibly by always finding a sober ride.

"Fall football is a time-honored tradition in our state, but one regrettable decision to drink and drive could turn game day into a jail time or a deadly crash," said TxDOT Executive Director Marc Williams. "Whether fans are tailgating with friends or celebrating their team's big win, we want everyone to enjoy the season responsibly."

A person in Texas dies every nine hours and six minutes in a DUI-alcohol-related traffic crash. Last year, 963 people (cont'd)

*The Burn Ban has been lifted until October 24th*

in Texas were killed and 2,114 seriously injured because someone chose to get behind the wheel while impaired. Drinking and driving is 100-percent preventable and can have serious physical, emotional and financial consequences that can last for years. Not only can a DWI hurt or kill someone, it can be expensive and cause legal hassles. It can create difficulty finding or keeping a job. It is shameful and embarrassing, and can result in a loss of trust and regret. A DWI crash can devastate the lives of victims and survivors forever.

There are many sober ride options available. Designate a sober driver, call a taxi, use a rideshare service, stay put, call a friend or family member or use mass transit to ensure you don't drive impaired.

Throughout the fall, TxDOT's Drive Sober. No Regrets. campaign will conduct outreach events at college campuses across the state in conjunction with football season. These events will include a video exhibit, featuring video testimonials of Texans who deal with the daily consequences of drunk driving, either as an offender or survivor. These powerful stories and drunk driving facts can be found at [www.facesofdrunkdriving.com](http://www.facesofdrunkdriving.com).

## Sports

### Badger Tennis

Tennis team traveled to Mineral Wells yesterday to play Area round of the playoffs against Vernon. The weather was 70 degrees with 20-30 mph winds and no rain. Made for an interesting overhead hitting day.

Our doubles did not fair so well. Our closest matches came from Clements / Rogers who lost 6-4, 6-4 and Sharkey/Zapata who lost 6-4, 6-2. We were now down 0-7.

Our only win came from Abby Valdez. Who won the first set 6-2, lost the second set 1-6 and pulled the tie breaker out 10-8. She came off and said she did not want to lose her last singles match of her high school career. She will be playing doubles next semester in individual season.

Welost 1-17. Vernon has been a powerhouse in tennis for over 20 years. Back in '13 we played them in the regional finals and lost 8-10. They are a good team and the kids played well against them today. A few of the players even saw that by hitting against good quality players, it made them hit better.

We finished our season with a record of 9-8, 2nd in district and Bi District Champions
