**Thursday Night:** A low near 52° with clear skies. Wind will become calm.

## Burn Ban Lifted

County Judge Randy Hoyer has lifted the County Wide Burn Ban until this Thursday at 6pm. Please use caution!

## Accident on Hwy. 281N.

**From Texas DPS: On Saturday October 15<sup>th</sup>,** at approximately 11:54am, 8.3 miles N. of Lampasas, Texas DPS Troopers responded to a report of an injury crash between three vehicles. A 2019 Black Ford Fiesta passenger car, operated by a 23-year-old female from Lampasas, Texas, was traveling northbound on US 281 in the inside lane. A 2017 Black Toyota Yaris Passenger car, operated by a 39-year-old female from Lampasas, Texas, was stopped at the intersection of US 281 and CR 2227 in the inside lane of US 281 facing northbound preparing to turn left onto CR 2227.

The investigating Trooper reported that driver inattention and failing to control speed caused the driver of the Ford to collide with the rear end of the Toyota. The collision caused the Toyota to cross into the southbound lane and into the path of a 2003 Gold Lexus RX3 passenger car, operated by a 72-year-old male from, Marble Falls, Texas.

The driver of the Ford refused medical treatment on scene. The driver of the Toyota was transported to Advent health ER in Killeen. The driver of Lexus was transported via CareFlite to Seton Williamson County with incapacitating injuries. A 69-year-old female passenger in the Lexus was transported to Seton Williamson County via Hamilton EMS. The crash investigation is still open. For a complete copy of this crash report go to [Texas.gov](http://Texas.gov)

## 'One Pill Kills' Campaign

Governor Greg Abbott today announced the launch of the State of Texas' coordinated "One Pill Kills" campaign to combat the growing national fentanyl crisis plaguing Texas and the United

States. This announcement comes after Governor Abbott directed state agencies to ramp up efforts to combat the deadly fentanyl crisis last month.

Following a roundtable discussion with state and local law enforcement, the Governor was joined by Texas Department of Public Safety Director Steve McCraw and Beaumont Police Chief James Singletary for a press conference highlighting the severity of the fentanyl crisis and outlined the comprehensive actions taken by the State of Texas to address the unprecedented influx of this deadly drug into communities across the state.

"Fentanyl remains the single deadliest drug threat our state and nation has ever encountered, killing four Texans every day," said Governor Abbott. "Fentanyl is a clandestine killer, with Mexican drug cartels strategically manufacturing and distributing the drug disguised as painkillers, stimulants, anti-anxiety drugs, and even candy. In the Biden Administration's negligence to address this national security threat, Texas has designated Mexican drug cartels as terrorist organizations and is launching a statewide public awareness campaign to fight the fentanyl crisis in our state. I am proud to announce the launch of the State of Texas' comprehensive 'One Pill Kills' campaign to remind Texans that just one pill laced with fentanyl can take someone's life. Together, we will protect more innocent lives from being lost to this deadly drug."

Governor Abbott also announced new laws to be considered this upcoming legislative session that would classify fentanyl as a poisoning, allow charging an individual for murder if they distribute fentanyl or drugs laced with fentanyl that kill someone, and make NARCAN more readily available across the state for Texans exposed to fentanyl.

Last year, almost 1,700 Texans lost their lives because of fentanyl. Fentanyl is the number one cause of death in Americans between the ages of 18 and 45. From February 2021 to February 2022, more than 75,000 Americans died as a result of fentanyl-related overdoses. In the past year, Texas law enforcement alone has seized over 342 million lethal doses of fentanyl—enough to kill every man, woman, and child in the United States.

## Ransomware Targeting School Districts

For the past two years, ransomware attacks have been on the rise in K-12, and districts are struggling to keep up.

Ransomware can be debilitating to districts and can impact the availability of services to educate students. Ransomware encrypts targeted systems, rendering files and applications useless. Having encrypted a district's data, cybercriminals demand a ransom to decrypt the files. In the past, that would have been the end of the attack. The school could choose to pay and retrieve the data or not. (cont'd on back)

## The Blotter

**Lampasas Police Dept.** Blotter for Monday shows the arrest at 9:05am of Diane Gonzales Phillips, 55, of Lampasas in the 600 block of E. 3<sup>rd</sup> St. for driving with an invalid license with previous convictions without insurance. The afternoon shows a reported fraud in the 1600 block of S. Key Ave. at 1:01pm, lost property reported in the 1400 block of 281S at 2:03pm and a suspicious person reported in the 2300 block of 281S at 2:41pm. There was a suspicious vehicle reported in the 600 block of CTE at 3:48pm, a minor accident took place in the 1600 block of CTE at 4:36pm and a disturbance was reported in the 1700 block of CTE at 5:16pm. Recovered property was reported in the 400 block of N. Ridge St. at 5:51pm, and a suspicious vehicle was reported in the 600 block of N. Key Ave. at 8:05pm. At 8:24pm Jesse Gonzales, 34, of Lampasas was arrested in the 500 block of E. 2<sup>nd</sup> St. on 2 Lampasas PD warrants (theft \$100-\$750 and driving w/invalid license with previous convictions).

**The Lampasas Sherriff's Dept. Blotter** for Monday shows Lometa with a civil matter. In Kempner there were civil matters, medical calls, and a reported disturbance. Out in the county there were medical calls, a report of criminal mischief, civil matters, livestock issues and reports of suspicious activity. Deputies went into Cove on a medical call and a requested welfare check.

**The Jail Log** shows the arrest of 57 year old Julian Banda of Lometa for failure to appear. Also arrested was 46 year old Rex Eicher of Nolanville on two bond revocations.

(cont'd from front) Now, K-12 institutions have better backup and recovery mechanisms in place. It takes less time to recover from an attack than in years past — what might have taken months or years to achieve is now possible in weeks, days or even hours. As a result, institutions don't feel compelled to pay ransom because they can restore the encrypted data themselves.

Ransomware threat actors are evolving in response to this and have become more deliberate in their attacks. In the past, threat actors would "spray and pray" against all manner of organizations, hoping some would pay the ransom. Today, ransomware has evolved to create a double extortion for afflicted districts: After achieving domain admin within the environment and finding the "crown jewels," attackers will exfiltrate the data and then encrypt. Encryption is the final step in a prolonged compromise.

## Sports

### Badger Football

**The Badger Varsity** travels to Davenport High School in Comal ISD this Friday for district play. Sub Varsity will host Davenport High School on Thursday at Lampasas High School.

### Badger Middle School Football

7A won 22-14

The Badgers hosted the Taylor Ducks on Thursday and came away victoriously in a really good football game. Taylor jumped out to an early 14-0 lead, but the Badgers battled back in a really hard fought effort. We had a quick turnaround as we host Brownwood this afternoon.

Go Badgers!

8B

The Lampasas eighth grade B team defeated Taylor 30 to 0. The team played great on both sides of the ball. Brandin Cooper scored the first touchdown on a 10-yard rush and Colton Manning added the two-point conversion. Defensively, Wyatt Jones got a tackle for loss and on the very next play Nathan Durham got a strip sack and recovered the ball for Lampasas.

On the next offensive possession Bryson Hammond threw a 35-yard touchdown strike to Daylin Jennifer. Brandin Cooper ran in the two-point conversion to push the lead to 16 to 0. On the next offensive possession Isaiah Almazan broke loose on a 45-yard run. This set up a 15-yard touchdown run by Calvin Clark. The two-point conversion was no good pushing the score to 22 - 0. The defense forced a quick three and out with good tackling. On offense Austin Andrews broke loose for a 35-yard rush setting up a 15-yard touchdown run by Wade Butts. Austin Andrews ran in the two-point conversion from the quarterback position rounding out the scoring at 30 to nothing Lampasas. The team is looking forward to their game with Brownwood today at Badger Field.

8A

The 8th grade A beat the Taylor Ducks 24-16 improving their record to 3-3. The offensive line (Brodi Hilgenburg, Jeremiah Peters, Quinn Smith, Mason Warren, and Carson Touns) had their best game of the season going up against a big Taylor defensive front and giving time for the QBs and holes for the backs to run through. QB Tripp Stinnett threw for 2 touchdowns one to Ty Johnson for a 4-yard TD reception and the other on a game-winning TD pass to Cayhil Isom in the closing seconds. Joe Ybarra would add 2 points to the scoreboard on a well-thrown pass from Stinnett. Kash Connor reached pay dirt on a 5-yard TD run and Ty Johnson would add 2 points on a sneak up the middle. The defense gave up two touchdowns early but stiffened as the game went on. Taylor went up 16 to 0 to start the second quarter. That would be the last time they scored. Josh Warner intercepted a screen pass to end the first half. The defense tackled well in the second half. The Badger defense was able to get multiple tacklers to the ball to Corral the large running backs of Taylor. The team played great complimentary football. The defense was able to get multiple three-and-outs. This gave the offense the opportunity to win the game in the end. The game ended on a special teams play when Ty Borchardt recovered a fumble caused by Anton Peters on Taylor's last kickoff return. The Badgers ended the game in the best formation, Victory! Next up for the Badgers will be the Brownwood Lions this afternoon. Go Badgers!
