Badgers Win Again!

36 – 18 over LBJ Austin

Possibly the team that appeared to be best positioned to threaten Lampasas' superiority in district football action just failed to do it last night. Though we did see the Jaguars pull ahead of Lampasas 18-17 for a short while in the 3rd quarter.

It was a chilly night for the faithful fans that managed to get some of the quickly sold out tickets to the game. They were certainly treated to another exciting win as the Badgers came off the 3rd quarter deficit to charge across goal line again and again in the remaining minutes.

Kudos to both offensive and defensive squads as they played some great football and earned for themselves, once again, a trip into the post season playoffs!

Next week the Badgers will be on the road at Fischer Canyon Lake. Canyon Lake is 4-4 overall and 2-1 in district after beating Fredericksburg last night 20-14. It was a close one with the teams swapping leads but Canyon Lake proved best in the end with their 8 point 4th quarter comeback. Fredericksburg was thought early-on to be a threat for the district lead this year but they have failed to meet expectations, 0-3 winless in district so far.

Lampasas will meet Fredericksburg in their last district game of the season on Nov. 6th in a home game.

Lampasas, looking at the numbers and records, earned itself at least a playoff berth last night. And it appears that the team, at least on paper, is heavily favored to win district. The pickers would all have Lampasas in the top 3 or 4 in state competition. Aren't we proud of our Badgers!

The Blotter

The Lampasas Police Department blotter for Friday shows a suspicious vehicle reported in the 400 block of S. Key Ave. at 12:25am. A disturbance reported in the 200 block of E. Ave. D at 7:36am. Later in the morning at 11:29am, a forgery was reported in the 200 block of Riverview Dr. The afternoon saw a major accident in the 300 block of 281S at 1:03pm with one person injured.

There was a reported disturbance in the 600 block of E. Ave F at 2:57pm, then another fraud was reported, this time in the 200 block of Riverview Dr., and a reported disturbance in the 700 block of S. Main St. at 5:33pm.

The Sheriff's Dept. Blotter shows Lometa with a medical call and a livestock issue. In Kempner, Officers tended to an accident, reported disturbances, an alarm call, a fish & game call, and a welfare check. Out in the county there were livestock issues, an alarm call, a repossession, reported threats, a reported fraud, medicals, a suicidal person and a request for extra patrol. Deputies went into Cove on a fish & game call, a welfare check, a suicidal person and a medical call.

The Jail Log shows a 24 year old Lometa man booked in on a commitment charge.

A Different Kind of Halloween?

Two Texas counties have banned door-to-door trick-or-treating this year in light of the pandemic. El Paso and Hidalgo county, notorious hotspots for the virus, have both released statements prohibiting the century-old activity. Halloween may look a little different than what we're used to this year, but there are still ways you can celebrate with your family.

If you and the kiddos are dead-set on going trick or treating, here are some precautions you can take to protect yourself from the 'rona;

- 1) Use contactless forms of giving/receiving candy, eg. Basket at the street, individually wrapped bags to avoid germs, etc
- 2) Stay with only your social bubble, not exceeding 6 people and maintaining social distancing
- 3) Use hand sanitizer in between every visit to each house

Some counties are looking for new ways to celebrate, taking part in a new trend called "trunks or treats". In this activity, car owners can decorate the backs of their cars and fill their trunks with candy for trick-or-treaters to enjoy. This new activity was started in the hopes of avoiding further spread of germs by having kids get their candy in one place. Children can show off their costumes and get their candy fix without the possibility of the virus spreading door-to-door.

Other suggestions include a family Halloween scavenger hunt, where children are given riddles in order to find hidden candy. Contactless activities include painting or carving pumpkins, creating Halloween-themed gift baskets - or 'Spooky Baskets' - or making Halloween cookies while listening to Monster Mash. Getting creative for Halloween has always been a commonality, but this year we're redefining creativity to find fun ways to enjoy the holiday safely. Enjoy your tricks and treats, and be sure to wash your hands and wear a mask!

Badger Sports

Badger Football continues to roll over opponents, especially in the last half in the last couple of games. The scoring started in the Badger's first possession with a long pass to Lane Haviland and Jack Jerome punched it in a little at a time until a 2 yarder went in for the first TD. Ace Whitehead kicked the field goal and it was 7-0. LBJ came back a few minutes later with a long pass play that went for a TD but the conversion after failed. Early in the 2nd qtr LBJ came back again with another TD pass, but they went for the conversion again and failed again, leaving them ahead 12-7. With 5 minutes to go the Badgers got it going, Michael Murray had a 19 yard pass, Ace Whitehead went 15 yards and Case Brister did the same, going in for a TD. Ace then went on to kick the extra point and later a 37 yard field goal. The half finished 17-12 Lampasas.

In the second half, LBJ ran one in but failed to convert. Whitehead threw a 9 yard pass to Ethan Moreno for a TD but the conversion failed making it 23-18 as the game went into the 4th qtr.

Jack Jerome would go in again, this time on a rush for 7 yards. A PAT failed and it was 29-18.

Ace Whitehead would add the remaining points on the board, going in on a QB keeper and then kicking the extra point to make it 36-18.

The Badgers would have 354 yards total offense to LBJ's 304. The Badger yardage was heavily tilted toward the run this time with 257 on the ground and just 97 in the air. Ace Whitehead passed 18 times with just 7 completions, to Michael Murray, Ethan Moreno and Lane Haviland. All of the above showing that the LBJ team was studied and ready for the Badger passing game when they got to town.

Jack Jerome was the workhorse for the Badgers, carrying the ball 31 times for 120 yards and 2 TDs, just ahead of QB Ace Whitehead in the rushes as Ace ran 16 times for 82 yards and one TD.

Ethan Moreno was also big in the game with the outstanding TD pass reception, and the same for Lane Haviland.

Way to Go, Lometa! 52-40 over Evant!

What a great game, between two great rival teams. The rivalry between the Hornets and the Elks goes way back and we're sure nothing could be sweeter than this one for the Hornets.

This sets up the District Championship game with Jonesboro for next Friday in front of the home crowd in Lometa. Watch out Hornets, this will be a tough one!
